THURSDAY, DECEMBER 1, 1921.

We have had so much to say upon
 the question of cotton stalk destruction
 that we feel almost ashamed of
 our persistence. But we are so sure
 it is the way to begin for next year's
 cotton crop that we cannot refrain
 from again urging the matter upon
 the farmers of the county. Destroy
 cotton stalks now and you will not
 have so much work picking the boll
 weevil next spring. Clean up the
 hedgerows and terraces. Get ready
 to raise cotton next year, not boll weevil.

Union should have a first class can-
 nery. The establishment of such an
 organization would help tremendously
 in making the transition that must
 be made under boll weevil conditions.
 It will not do to put up just any sort
 of plant. What we need is a modern
 plant that would turn out a standard
 grade and that would soon create a
 gradually increasing market. There
 is no one thing, small in outlay, that
 would help more than a cannery con-
 ducted upon an up-to-date basis.

One thing that farmers will have
 to learn, something they have not yet
 learned, is that if they are to find a
 market for their surplus crops, they
 must put their commodities into mar-
 ketable shape. If you have corn to
 sell, shell it and sack it. If you have
 peas to sell, shell them and sack them.
 If you would dispose of your surplus
 meat, pack it. If you would dispose
 of your surplus vegetables, can them
 and do a good job of it. One truck
 load of green vegetables will glut the
 market in Union.

Of course destroying cotton stalks
 is not the only thing the farmer must
 do to raise cotton under boll weevil
 conditions. But it is the one thing
 that must be done right now. De-
 stroy stalks, plow under all litter. Do
 this now. It is all you can do now.
 The question of planting an early var-
 iety and using the right kind of fer-
 tilizer and picking the weevils as
 they come next spring is another mat-
 ter, questions that must come up later.
 It is possible to raise cotton under
 boll weevil conditions; that it a fact,
 for many are doing it. Union County
 farmers can, and will, do it.

Our cat says keep an eye open for
 robbers; they are increasing in num-
 ber.

Our cat says an open mind often
 finds illumination.

KEY TO Success and HAPPINESS

The first dollar that you put into the savings bank is
 the key to happiness and success.

When you have once taken the first step—and can see
 your way ahead, it will not take long to climb fast
 and surely. And a determination to succeed is the only
 necessary foundation—whereof an actual start is at once
 proof and assurance.

"Large Enough to Serve Any—Strong Enough to Protect All."

CITIZENS NATIONAL BANK

Our cat says those who ask to be
 told the truth often fail to relish it.

Our cat says honeyed words never
 yet filled an empty stomach.

Our cat says perfection in humanity
 is a far off dream.

Our cat says we will all be better
 off when we depend upon ourselves
 and not upon Washington for help.

Our cat says the nations are dis-
 armament by planning to build battle
 ships.

Our cat says hard work helps
 worry kills.

Our cat says it is time for shor-
 skirts to go into winter quarters.

 provements on a lot located just
 north of Grace M. E. Church. If
 interested see William Douden, Ar-
 chitect. 1237-1f

What's The Reason?

Many Union People in Poor Health
 Without Knowing the Cause.

There are scores of people who drag
 out a miserable existence without
 realizing the cause of their suffering.
 Day after day they are racked with
 backache and headache; suffer from
 nervousness, dizziness, weakness, lan-
 guor and depression. Perhaps the
 kidneys have fallen behind in their
 work of filtering the blood and that
 may be the root of the trouble. Look
 to your kidneys, assist them in their
 work—give them the help they need.
 You can use no more highly recom-
 mended remedy than Doan's Kidney
 Pills—endorsed by people all over the
 country and by your neighbors in Union.
 Ask your neighbor.

Mrs. H. S. Crawford, 5 So. Church
 St., Union, says: "I have taken
 Doan's Kidney Pills off and on for
 the last few years and, believe me,
 before I started to take Doan's I suf-
 fered something awful. I had all the
 symptoms of kidney trouble and tried
 different remedies but little relief.
 Doan's Kidney Pills put my
 kidneys in good shape. I have gained
 in weight and all I can say is that
 Doan's is a wonderful medicine."
 Price 60c at all dealers. Don't
 simply ask for a kidney remedy—get
 Doan's Kidney Pills—the same that
 Mrs. Crawford had. Foster-Milburn
 Co., Mfrs., Buffalo, N. Y.

Eczema on Face for 35 Years—Now Cured

I have had eczema on my face
 for 35 years, and thought there
 was no cure. After using "Storm's
 Lotion" all of the itching, soreness
 and tenderness has disappeared.
 I am certainly a friend to "Storm's
 Lotion," and will recommend it to
 anyone who has this dreadful
 eczema.

What kind of gasoline do traveling salesmen buy?

DRUMMERS who make dozens
 of calls a day, who drive
 further every week than
 most of us do in a month, know a
 lot about the efficiency and econ-
 omy of different motor fuels.
 They nearly always ask for "Stan-
 dard" Motor Gasoline.

This balanced gasoline gives quick
 starts, even when the motor has
 become chilled. It burns up com-
 pletely, doesn't quickly choke the
 motor with carbon or ruin the
 lubricating oil with carbon and
 unburned gasoline. It runs the
 motor on a lean mixture and gives
 big mileage per gallon.

"Standard" Motor Gasoline leads
 the procession in all these essen-
 tial qualities. It is the most per-
 fectly balanced motor fuel we
 know of—the result of innumera-
 ble tests for economy and effi-
 ciency, perfected refining proc-

esses and the choice of the most
 suitable crudes.

In cold weather or hot, when it's
 dry and frosty, wet and muddy or
 hot and sunny, you'll travel the
 road more smoothly and get fur-
 ther on a gallon. And with less
 carbon trouble. You won't have
 to constantly adjust your car-
 buretor. That's why city and
 country salesmen use balanced
 "Standard" Motor Gasoline.

You, too, want the best for your
 money. The best is "Standard"
 Motor Gasoline. Try it on your
 next filling. See how lively and
 powerful your car is, how prompt-
 ly it starts, how easily it takes hard
 hills, how far you go on a gallon.
 One quality wherever you buy it,
 and for sale everywhere.

Protect the moving parts of your
 car. Polarine is the great friction
 remover.
