## SAYS SHE'S NEVER LOOKED SO HEALTHY

GOT TO THE PLACE WHERE HE WAS NO LONGER ANY GOOD TO WORLD

### SHAKY AND NERVOUS

Says Tanlac Not Only Relieved His Suffering But Caused 15 Pounds Increase.

"It's worth a thousand dollars to feel like I do now, since Tanlac has taken away the trouble that kept me in misery for the last twenty years," said M. B. Daniel, a well known farmer living on Route No. 3, Abbeville, Ga., a few days ago.

"Whenever a man suffers as long as I did he gets to the place he feels he is no longer any good in the world," he continued, "and that is just the way I felt. Long ago I got so weak I could not carry on my work, for spells of stomach trouble and nervousness just made it torture for me to try to eat, and the trouble I had would not let me sleep at all. Many a night I have stayed awake until morning, so shaky and nervous I could not even doze. My heart would flutter and act queer until I was afraid it would stop, and I became so blue I felt like I did not much care if it did.

"I would have been well enough satisfied to have my suffering relieved, but that was not all that Tanlac has done for me. I have gained 11 pounds in weight since I started taking it. I can eat as hearty a meal as if I never had stomach trouble and my strength has come back to the extent that I can do as much work in a day now as I could before I became sick. I feel like a new man all over, and I am glad to tell anybody just what this wonderful Tanlac has done for me.

Tanlac, the "Master Medicine," is sold in Colleton county by John M. Klein, Walterboro; The Colleton Cypress Co., Colleton; Cottageville Mercantile Co., Cottageville; Islandton Mercantile Co., Islandton; W. C. Glover Green Pond and Jack. sonboro; E. R. Bishop & Co. Lodge.

### Daniel Hudson Writes Mother

My dearest Mother:—I will try to write you a few lines to let you hear from me. This leaves me well and feeling fine, and I hope you are all well. Well, you asked me to write you if the war is over, and I am very glad that I am able to write that it is. But I had some experience before it closed. I lay under an artillery barrage for about 48 hours and that was up on the front looking across No Man's Land, but I am very glad to say I haven't had a scratch. But let me tell you I saw a few of the boys put out of business at a flash. I can tell you more about my trip when I come home than I can write. I don't know just how long it will be, but you know there are many of our boys over here and it will take some time to get them back across the pond. I received your letter saying you had sent me a Christmas box but it hasn't reached me yet but guess it will be here in a few days. Well, I would like to be in the states the next time you hear from me, but I don't know.

I will close hoping to see you in the near future.

From your loving son,  
Daniel Hudson.

## IT SHOULD MAKE A MILLION FOR HIM

Cincinnati Man Discovers Drug That Loosens Corns so They Lift out.

Good news spreads rapidly and druggists here are kept busy dispensing freezone, the recent discovery of a Cincinnati man, which is said to loosen any corn so it lifts out with the fingers.

A quarter of an ounce costs very little at any store which handles drugs, but this is said to be sufficient to rid one's feet of every hard or soft corn or callous.

You apply just a few drops on the tender, aching corn or toughened callous and instantly the soreness is relieved, and soon the corn or callous is so shriveled that it lifts out without pain. It is a sticky substance which dries when applied and never inflames or even irritates the surrounding skin.

This discovery will prevent thousands of deaths annually from lockjaw and infection heretofore resulting from the suicidal habit of cutting corns.

### COMMON WITCHHAZEL FINE FOR SORE EYES

It is surprising how quickly eye inflammation is helped by common witchhazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. One elderly lady, who had been troubled with chronic eye inflammation for many years, was greatly helped in two days. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cup FREE. John M. Klein Druggists.

## CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on a Sluggish Liver and you Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

We thing we see you darling mother with a crown upon your head And I rise to meet you, mother, Then I know that you are dead. Dead to earth but not to Glory, And our loss is your gain. We know 'twas Gods command When the saviour called your name. Seal.
