

is 300 lbs. new milk cheese to a cow; \$40 are often obtained from a cow; \$30 are deemed an average yield.

Table with 2 columns: Item and Price. Includes entries for Stockbridge (20 cows, 4000 lbs. milk, \$360.00), Lenox (15 cows, 1200 lbs. milk, \$201.69), and Tolland (15 cows, 4500 lbs. milk, \$405.00).

This gives \$29.50 cts. to a cow. No account is made in this case of the supplies of the family, nor of the amount of pork fattened...

Table with 2 columns: Item and Price. Includes entries for 10 cows produced of butter (1120 lbs., \$201.69) and 15 cows produced 4500 lbs. cheese (sold at 9 cts., \$405.00).

13. Tolland.—From a highly intelligent farmer in a town adjoining the county, Tolland in Hampshire co., I received...

Table with 2 columns: Item and Price. Includes entries for 15 cows produced 4500 lbs. cheese (sold at 9 cts., \$405.00) and 15 cows will nearly fatten 4 hogs (weighing in the spring 20 lbs. each, \$9.00).

Table with 2 columns: Item and Price. Includes entries for wintering a cow, pasturing do., and expenses for a cow.

Profits of a cow, \$15.30. No account in this case was taken of the butter and milk used in the family...

14. Cheshire is devoted almost exclusively to the dairy husbandry; and has been celebrated for the excellence and abundance of its produce.

A farmer in 25 cows, states their average yield at 300 lbs. cheese, and 20 lbs. butter to a cow.

The average cost or value of his cows is \$30 each; wintering \$14; pasturing 26 weeks, \$6.25; he raises some calves upon whey.

The dairy of another farmer consists of 20 cows. The year before last they yielded 400 lbs. new milk cheese; the last year 400 lbs. each, besides an ample supply of butter for the family.

In another case the produce of 23 cows was 12,000 lbs. new milk cheese, and 500 lbs. butter.

Another case from 11 cows including 4 three-year-old heifers, there were sold and used 3475 lbs. new milk cheese, and 403 lbs. butter.

Throughout the county of Berkshire this mode of dealing with the calves is termed "deaconing" them.

The practice with this farmer, is to give a dozen ears to a cow per day. When it is conveniently had, he gives a mess of rye meal to each cow...

From thirty cows, an average of 425 lbs. of cheese has been produced to each cow, and ten lbs. of butter; or 300 lb. whole.

On one farm, where 18 cows were kept, 11,385 lbs. new milk cheese were made in a season, which gives the extraordinary average of 632 1/2 lbs. to a cow.

The same individual, when on another farm in South Adams, with twenty-one cows, made 626 lbs. new milk cheese to a cow, in a season.

15 cows produced 4500 lbs. cheese, sold at 9 cts. per lb., \$405.00 and 509 lbs. butter sold at 19 1/2 cts., \$99.25.

These products are certainly remarkable, and show what may be done by attention, skill, and good treatment of the animals under our care.

LATE FROM THE PACIFIC.

By the arrival of the ship Natchez, Captain Hayes, in the very short passage of sixty-eight days from Valparaiso, the editor of the New York Gazette has been put in possession of Valparaiso papers to the 20th of February.

VALPARAISO, MARCH 2, 1839.

A few days since we had a report from an outpost in Peru that a battle had been fought, in which the Chilians were victorious, but it required confirmation.

The United States ship North Carolina, Commodore Ballard, and the United States schooner Enterprise, will sail for Rio de Janeiro and the United States on the 15th of March.

Col. Pedro Urriola, commanding the batallion Colchagua, which took a distinguished part in the battle of Yungay, has arrived here, the bearer of communications which announce a most triumph of the arms of Chili.

Col. Urriola left the field of battle ten hours after the victory. 3,400 prisoners, 2,600 killed the whole park of artillery, the commissariat with more than \$9,000, the equipages, horses, &c. of the Protector's army, are the fruits of this victory.

General Herrera, Guro, Bermudez, Otero, and Arnaza, are prisoners, the last morally wounded. Santa Cruz escaped with twenty men in the direction of Junin.

General Lafuente would march to Huacho with two squadrons of cavalry and two Peruvian battalions, and would be in Lima and Callao on the 26th and 28th January.

The naval combat of Casma has terminated in a manner equally happy to the arms of Chili. Four vessels armed by General Santa Cruz attacked the division of commandment Simpson, consisting of the corvettes Confederation and Valparaiso and the barque Santa Cruz, which were completely defeated.

Affairs in Mississippi.—The crops in Mississippi are suffering severely from a long drought.

The session of the United States Court commenced on the 6th instant, at Jackson. There were twenty-five hundred cases on the docket to be disposed of.

The recent derangements of the currency have taught the Mississippi planters a useful lesson in the business of agriculture.

COLUMBUS, (Mr. April 30.—Murder.—Our city was, on Wednesday last, thrown into considerable excitement, in consequence of the discovery at about 12 o'clock, M. of the body of a man with two shots through his head, about 4 miles from town on the Military Road.

been repaired and re-fitted at an expense of some fifteen thousand dollars, and had been purchased a few days since by Com. Schultz of this city, with the intention of placing her on the mail route between Mobile and New Orleans.

NEW YORK, MAY 7, 1837. The New York Legislature is to adjourn to-day, and not a single bill to aid in the establishment of railroads has yet gone through the Legislature.

Col. Stone, editor of the Commercial Advertiser, has been nominated by the Governor to the Senate to go to Europe for the purpose of collecting Colonial records interesting to this State.

The city is crowded with strangers from all parts of the Union, who are in attendance this, the anniversary week, upon the various Societies now holding their annual meetings.

The anti-slavery people have got out a caricature, in which Henry Clay and John C. Calhoun are represented as snaking hands in good fellowship, in the U. S. Senate.

Another Parisian Hotel—I mention such a fact as an era in gastronomy—was formally opened yesterday in this city. The Globe, it is called, with elegant salons of unrivalled beauty, and not surpassed by those about the Tuilleries or on the Boulevards.

LATEST FROM CANTON. Extract of a Letter, dated Canton, January 12, 1839.

On the 4th of December all trade was stopped, on account of some opium being seized, which Mr. J. was supposed to have smuggled into his own factory in Creek Hong.

The nomination of William L. Stone, Esq. to proceed to England and France, to collect materials for history, made by Governor Seward, was not ultimately rejected.

FROM THE MILEDGEVILLE RECORDER. The subpoenaed account of a painful riot among the railroad workmen in the up country, is from a respectable correspondent.

MARIETTA, APRIL 55, 1839. GENTLEMEN: It may be interesting to some of your readers to be informed of a horrid murder committed in this country on the night of the 6th instant on the road leading from Marietta to Montgomery's Ferry.

The New York Journal of Commerce says, that three companies were chartered at the last session of the New York Legislature, for the purpose of navigating the ocean, viz: the Atlantic Steam Navigation Company, with a capital of \$2,000,000; the Ocean Steam Packet Company, with a capital of the same amount; and the North American Steam Navigation Company, with a capital of \$2,500,000.

We had yesterday the pleasure of witnessing a splendid specimen of cocoons, the product of the present season, raised by Mrs. A. R. Lutimer of this city.

TEN THOUSAND DOLLARS LOST!—A steamboat Captain Oak, from Hartford, near the city yesterday morning, a taral Yankee who got on board at New Haven.

NEW YORK, MAY 2. TEN THOUSAND DOLLARS LOST!—A steamboat Captain Oak, from Hartford, near the city yesterday morning, a taral Yankee who got on board at New Haven.

ained \$10,000, was missing, and also his coat. The Captain was immediately notified of the circumstance, and, on the boat arriving off the landing, sent a messenger ashore and procured the attendance of officer Sparks.

Augusta (Ga.) Sentinel. Patent Corn Planter.—It is stated in the Norfolk Herald, that a very ingenious and yet simple contrivance for planting corn, has been invented and patented by a Mr. Forrest, of Princess Ann county, Va.

Table Beer.—The Southern Cultivator gives the following recipe for making table beer: "To make a cheap and wholesome table beer, take eight bottles of water, one quart of Molasses, one pint of yeast, one table-spoonful of cream of tartar.

FISH AND SILK.—The New York Journal of Commerce says that an individual has been supplying the Jersey market with shad's eggs, in the place of silk worm's eggs, at a considerable reduction in price.

Sad Accident.—As the last train of cars on the Boston and Lowell Rail Road, was making the outward trip yesterday afternoon, it overtook, in Woburn, two pedestrians who were proceeding along to Lowell on the right hand track, which was not occupied by the cars.

A Shocking Accident.—We learn from the Middlebury (Vermont) Free Press, that on the 21st inst., Miss Laura Galvin, of Weybridge, Lower Falls, in company with another young lady, went into the mill yard of T. Bailey's saw mill, where the logs are placed on an eminence for the purpose of rolling them on to the carriage of the mill.

FROM THE EVANSVILLE JOURNAL. A Train of Shocking Incidents.—We are informed that at the raising of a log house in Gibson county, on Tuesday last, a quarrel took place among the men engaged, when one man who was chopping the corner, threw his axe which struck another man below, split open his abdomen, and caused his immediate death.

THE NEW YORK AMERICAN MENTIONS A STRIKING INSTANCE OF THE UNCERTAIN TENURE OF EARTHLY GOODS IN A CASE LATELY REPORTED IN THE LONDON PAPERS.

THE NEW YORK JOURNAL OF COMMERCE SAYS, THAT THREE COMPANIES WERE CHARTERED AT THE LAST SESSION OF THE NEW YORK LEGISLATURE, FOR THE PURPOSE OF NAVIGATING THE OCEAN.

RECEIPTS, DURING THE YEAR, 131,295 40, OF 155,852 81 WERE DONATIONS, INCLUDING 28,100 62 FOR FOREIGN DISTRIBUTION, AND 3,461 86 FOR VOLUME CIRCULATION.

Morus Multicaulis Buds.—From some cause, unknown to us, the Morus Multicaulis Buds, planted in this section of country this spring have turned out badly; not more than one half of them have come up as yet, and many that did come up have since died.
