Members of the Morgan squad who have been working out under the watchful eye of Dr. Julius H. Taylor, coach, are the following:

Howard Quann, Robert H. Blackwell, Harold D. Blackwell, Raymond Gant, Walter Robbins, Jr., Joseph Cassidy, Nathan B. Lee and Lawrence Houston.

The visitors, who are undefeated this season in two matches played, are said to boast a well-balanced team, with some members consistently shooting par or sub-par golf. The match makes the first such meeting be-

New World Record For 440 Yard Dash In Balance

BALTIMORE — The prospect of a new world's record for the 440-yard dash loomed large this week as three of the world's fastest performers at that distance accepted an invitation to compete in the annual Central Intercollegiate Athletic Association track and field championships to be held at Morgan State College, May 9 and 10.

Pitted against each other in a special invitational 440-yard dash on the afternoon of May 10 will be the following speedsters:

HERB McKENLEY, world's record holder in the 440-yard dash and former 400-meter champion, now running the colors of the Grand Street Boys' Club of New York City;

REGGIE PEARMAN, winner of the 400-meter championship at the recent Seton Hall Relays in which he defeated McKenley, Ollie Sax and Hugo Malocco, now representing the Pioneer Club of New York City, and

SAM LEBEACH, present Pan-American 400-meter champion and former lead-off star on the Morgan State College relay teams of 1949, 1950 and 1951, now representing the Baltimore Olympic Club.

Negotiations are also in progress with Mel Whitfield, 800-meter Olympic champion and former Ohio State University star, now sporting the colors of the U. S. Army Air Corps, and Johnny Voight, of Oklahoma A. and M. College, winner of the special 400-meter race at the New Orleans Sugar Bowl, who is also a member of the Baltimore Olympic Club.

McKenley is a sure bet to represent his native Jamaica in the coming Olympic Games, while Whitfield and Pearman stand excellent chances of making the U. S. Olympic team.

Last fall, the Western Maryland football engaged in a practice scrimmage with the Bears in Hughes Stadium.

Hansel Tookes, former Florida A and M College gridiron star, coaches the Fancee golf squad during the spring.

Aggies Baseball Team Amazes Opposition

GREENSBORO, N. C.—When the A & T Aggies baseball nine defeated Shaw University last Saturday for the fourth consecutive win, it set an all-time, early season record for scoring and defense.

Aggie big bats had blasted out an average of 16½ runs per game against an average of little better than 5 runs for their competitors. The wide disparity of scoring represented a contrast with early season records in the major leagues, where in most cases, the victories this season have been by very scant margins.

A & T has defeated in addition: Elizabeth City State Teachers 19-3; Howard University, 12-9 and N. C. College, 16-3. They have drilled out 3 homers by David Kithcart, Jimmy Robinson and Pitcher McNeil. They also have 7 triples, 18 doubles

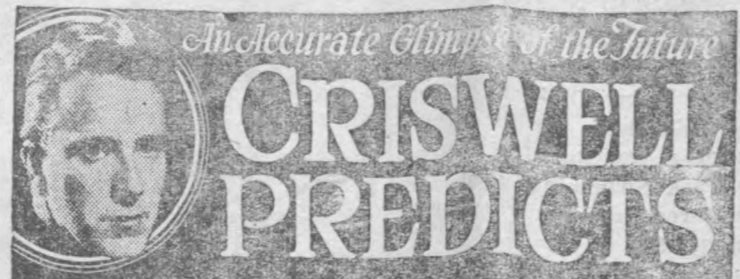

Sapperstein Saperstein Says Browns End Fifth

NEW YORK (CNS)—Though you might say Abe Sapperstein is a little prejudice since he owns a part of the St. Louis Browns along with Bill Veeck, still the President of the Harlem Globetrotters has picked the Browns to finish 5th, at least in the American League race. In the cellar last year, the new management expects different things from the club this year what an enough singles to account for a total of 91 bases in the four games. The team's batting average is now .378 with Louis Reed leading the team with an average of even .600.

Surprising performances by Aggie freshman hurlers have permitted only 13 hits in the four games, averaging a little better than 3 per game.
