## Straighten That Bent Back

No need to suffer from that tired dead ache in your back; that lameness, those distressing urinary disorders. Lexington people have found how to get relief. Follow this Lexington resident's example.

Mrs. E. A. Sox, farmer General Delivery; says: "About four years ago I was in a pitiful condition, caused by kidney complaint. My kidneys bothered me a great deal and I suffered with backache something terrible. I couldn't bend over, my back was so painful and my kidneys bothered me nearly as much. Doan's Kidney Pills, which I secured because of the recommendation of a friend gave me great relief and two boxes made me feel like a."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sox had. Foster-Milburn Co. Mfgs; Buffalo, N. Y.

### CHRONIC CONSTIPATION.

Perhaps you have never thought of it, but this disorder is due to a lack of moisture in the residual matter of the food. If you will drink an abundance of water, eat raw fruits and take lots of outdoor exercise, you may be able eventually to overcome it entirely. In the meantime use the most mild and gentle laxatives. Strong and harsh cathartics take too much water out of the system and make a bad matter worse. Chamberlain's Tablets are easy and pleasant to take, and most agreeable in effect. Give them a trial.

## A GREAT DAY OF PLEASURE FOR MR. AND MRS G M HARMAN

We were indeed fortunate on the Fourth of July to be the guest of Mr. and Mrs. R B Melton of Columbia. They were so kind and generous as to come over to Lexington, at our home for us in their car to go spend the 4th with them. After a comfortable and pleasant ride to Columbia, we arrived first at Briggs' Cafe, and there is no better place in Columbia to get a magnificent dinner and such a spread, we would not attempt to give an idea of the menu served, but it was grand. Enjoying this and our company so pleasantly we visited Camp Jackson, viewing the many cities to be seen, and were here joined by Lieut. Smith of the M. P force. He too is a mighty clever gentlemanly fellow; one of the stars of his command—and an intelligent Californian interesting conversationalist and his experience means something. After going around the camp at noted places in Columbia, we concluded to try the air in Lexington, not seemingly; quite so sultry. When home we divested ourselves of coat and embeided freely of good fresh water, resting under our own "vine and fig tree" to greatest content with our company— who took supper with us.

It is a great deal of pleasure and satisfaction to meet and have such friends and time will pass but never cause us to forget this grand and glorious 4th. Sometimes we imagine we are "growing old and in the way," but occasions like this will always be remembered and sorry when such friends depart.
