## WAR DEPARTMENT PLANS TO MAKE ARMY GREATER

Washington, Aug. 1.—War depart-  
ment recommendations for enlarging  
the army and for the extension of  
the draft age limitations in order to  
provide new reservoirs of man-power  
to back up the forces already at the  
front will be laid before congress  
next week. Members of the two mil-  
itary committees have been called to  
Washington by the chairmen in or-  
der to expedite the bill.

Secretary Baker would not say  
what age figure had been settled up-  
on nor indicate in any way the size  
of the army which he is planning.

"Any suggestion to extend the  
draft ages to produce in Class one an  
adequate number of men for the en-  
larged military program. If the ages  
are revised, they will have to be ei-  
ther below 21 or above 31 or both. I  
think it will be both."

"My personal preference is to go  
up first," he added.

"The only specific information re-  
garding the new age limits to be  
drawn from Mr. Baker was a state-  
ment that the limits of 19 to 40 had  
been among the suggestions canvased,  
but rejected. In many quar-  
ters it is believed extension to the  
ages of 19 and 36 will be recommend-  
ed.

From the purely army standpoint,  
this has been a boy's war from the  
start. The quick recuperative pow-  
ers of youth have been vitally neces-  
sary to the military machine under  
the conditions of modern warfare.  
Older men are slower to recover and  
are therefore of more limited use to  
the army.

On the other hand, however, there  
are a great number of men who could  
be called out of the higher ages, even  
up to 45.

As to the size of the army for  
this increased Class 1 is necessary no  
official has dropped a hint, with the  
exception of General March, who, in  
announcing the creation of a July  
schedule of six new divisions follow-  
ed by a August schedule for the same  
number, has indicated the embarkation  
upon such a monthly program. At  
this rate approximately 250,000  
men a month will be sent overseas,  
their places in the home canton-  
ments to be taken by 250,000 new  
men. Under such a schedule, with  
provision already existing for the  
housing and training of 1,750,000  
men in the United States, a full six  
months of training on this side, both  
in divisional and replacement camps  
before men were sent over to com-  
plete their courses behind the lines  
would be possible.

It is not certain that the depart-  
ment is aiming at the creation of a  
force of any definite size.

## COULD HARDLY STAND ALONE

Terrible Suffering From Headache,  
Sideache, Backache, and Weak-  
ness, Relieved by Cardui,  
Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Phil-  
pot, of this place, writes: "Five years  
ago I was taken with a pain in my  
left side. It was right under my  
left rib. It would commence with an  
aching and extend up into my left  
shoulder and on down into my back.  
By that time the pain would be so  
severe I would have to take to bed,  
and suffered usually about three days  
...I suffered this way for three years,  
and got to be a mere skeleton and was  
so weak I could hardly stand alone.  
Was not able to go anywhere and had  
to let my house work go...I suffered  
awful with a pain in my back and I  
had the headache all the time. I just  
was unable to do a thing. My life  
was a misery, my stomach got in an  
awful condition, caused from taking  
so much medicine. I suffered so much  
pain. I had just about given up all  
hopes or our getting anything to help  
me.

One day a Birthday Almanac was  
thrown in my yard. After reading  
its testimonials I decided to try Car-  
dual, and am so thankful that I did,  
for I began to improve when on the  
second bottle...I am now a well  
woman and feeling fine and the cure  
has been permanent for it has been  
two years since my awful bad health.  
I will always praise and recommend  
Cardul." Try Cardul today. E 73
