

**VOTERS MUST REGISTER.**

This is the year for all voters who expect to participate in the November general election to re-register. The county board of registration for Lexington, Ben F. Derrick chairman; J. Weir Addy, and W. B. Rhoden—will keep their office open in the county court house every day, except Sunday, during the months of July and August for the convenience of the voters and in compliance with the law. So far comparatively few new certificates have been issued by the board. The intense interest, however that has already been aroused in the race for the United States senate and for Congress, will doubtless cause heavy registration from this time on.

**COLORED COUNCIL OF DEFENSE TO MEET FRIDAY**

The Rev. J. S. Reese chairman of the colored council of Defense for Lexington county has called a meeting for Friday afternoon Aug. 16 at 1 o'clock at the court house. The count chairman is especially anxious that this meeting be largely attended and everybody is cordially invited.

**Timely Warning.**

Don't wait until the last minute act as soon as the first indications of a bilious attack appear, and you can usually ward it off. You have time by warning as your appetite fails some hours before the attack appears and you keep on eating because it is meal time. Skip one meal and take a dose of Chamberlain's Tablets and the attack can as a rule be prevented and all the distressing symptoms avoided. Try it.

**POSITIVE PROOF.**

Should Convince the Greatest Skeptic in Lexington.

Because it's the evidence of a Lexington citizen. Testimony easily investigated. The strongest endorsement of merit.

The best proof. Read it: Lewie Hall, Jeweler Main St. Lexington says: "Kidney trouble bothered me in the worst way about ten or twelve years ago and I certainly was in bad shape. Often times I had to stay away from my business. I was so bad off. Dizzy spells bothered me and my sight was affected. My back ached all the time and it was hard for me to bend over. The kidney secretions passed too often and broke my sleep at night. I felt tired out all the time and often the secretions were highly colored and contained sediment. I tried different remedies without getting relief until I used Doan's Kidney Pills. It wasn't long before Doan's cured me of all the trouble and I haven't been bothered since."
