## WOMAN Has Highest Praise

Mrs. Loftist Greatful for  
Aid Tanlac Gave Husband

Tells Public Details

Says His Appetite Returned,  
Strength Increased and  
Nerves Were Quieted

"I am glad to recommend Tanlac for it helped my husband so much" said Mrs. Beulah Loftist, of No. 13 East Main St. Woodside Greenville, in a statement she gave May 30th. "My husband suffered from what he thought was malaria. He had some chills and felt badly almost all the time. He did not eat anything hardly and complained a lot of being troubled with his nerves. Indigestion caused him a great deal of discomfort and he was restless at night.

"His appetite returned soon after he began taking Tanlac his strength increased and he says he has not felt any indigestion pains since he took Tanlac. That knot which he used to feel in his stomach is gone. The Tanlac built up and regulated his entire system. He says Tanlac is a fine medicine."

Tanlac, the master medicine, is sold exclusively at Harmon Drug Co., Lexington; Burnette and Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Crosson Drug Co., Leesville; Eargle's Drug Store, Chapin; Dr. W. T. Brooker, Swansea; Pelion Drug Co., Pelion; W. J. Cayce, Cayce; A. E. Leaphart, Gilbert; The Lorick Co., Irmo; W. H. Suber, Peak. Price, \$1.00 per bottle, straight.

### IN MEMORY OF REV. THOS. J. CUPSTID.

Who departed this life Aug. 9, 1917 which has been one year ago. He was such a loving husband and so devoted to his family and faithful to his master cause for which he had been serving 10 years. But our father saw fit to call him up higher to receive his reward. After a few days illness it seems a mystery to me that I lay for 4 weeks in 1915 at point of death the doctors saw no chance at all for me although I am here yet and my husband has been gone one year. And left me to care for but little ones in some way. I can hardly understand why this way. Although it is a pleasure to look on his little ones in remembrance of him. At times it seems that it is more than I can bear. I could not if it were not for that beautiful promise in the bible and a father that loves his children.

The sweet memory of this husband and Father shall be cherished as long as life lasts. I do not dread death as I once did to know he is gone on before me. I am only waiting for my sermon saying to come on and meet those gone on before. I feel that I am only staying here on earth and living in heaven as my mind dwells up there.

This only can I say farewell departed loved ones until we meet again.

Wife and daughter.

### Housework is a Burden

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Lexington women. Read what Mrs. L. J. Harling Lexington gave the following statement June 10, 1914: "I had pains in my back which bothered me a great deal; especially in the morning. I tired easily and I could hardly do my housework. Headaches and dizzy spells blurred my sight and my kidneys bothered me a great deal too. Doan's Kidney Pills from the Harmon Drug Co. did me more good than all the other kidney remedies I ever used. I can highly recommend Doan's Kidney Pills for what they have done for me.

OVER THREE YEARS LATER: or on February 3, 1918. Mrs. Harling added: "It is a pleasure to continue recommending Doan's Kidney Pills. Doan's gave me so much benefit about four years ago that I have the highest opinion of them."

### LITTLE BLUE STAR IN THE WINDOW.

And it means all the world to me.

There are stars in the high heavens shining  
With a promise of hope in their light  
There are stars in the field of Old Glory.

The emblem of honor and right.  
But no star ever shone with more brightness I know:

Than the one for my boy o'er the sea:  
There's a little blue star in the window

And it means all the world to me.

Short stockings, if the worst happens, will be added to the horrors of war by girls who feel that they just can't look good in them.

The average exemption claim seems doomed to look as limp as a dishrag by the time Uncle Sam gets through with it.

Another thing that makes a body sick is for a child to get home to dinner just after everything has been "cleaned and put away."

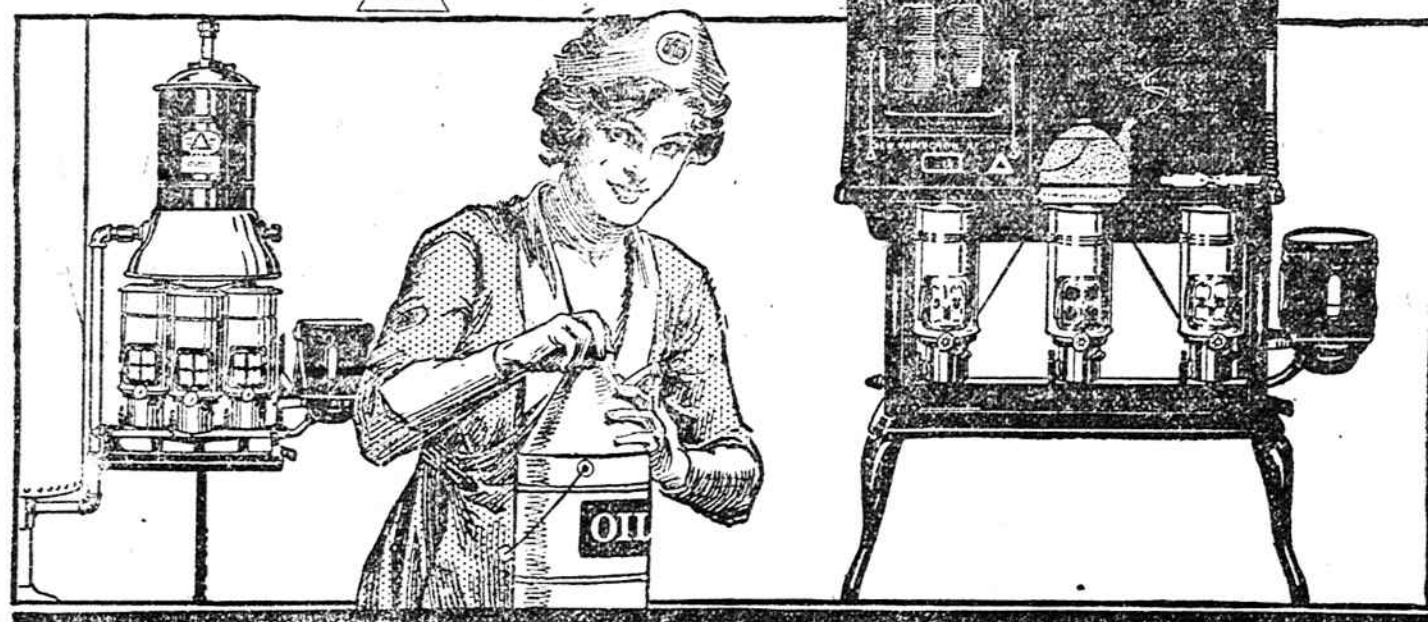

### Rheumatism Arrested

If you suffer with lame muscles or stiffened joints look out for impurities in the blood, because each attack gets more acute and stubborn.

To arrest rheumatism you must improve your general health and purify your blood; the cod liver oil in Scott's Emulsion is Nature's great blood-maker while it also strengthens the organs to expel the impurities. Scott's is helping thousands who could not find other relief.

## Packers' Costs and Profits

How much do you think  
it costs—

1. To dress beef, cure hides, and prepare all the numerous by-products?
2. To cool the meat for two or three days before shipment?
3. To freight it to all parts of the country in special refrigerator cars, iced daily?
4. To carry it in hundreds of branch houses, each with its refrigerating plant?
5. And to deliver it to the retailer—sweet and fresh—in less than two weeks after dressing?

Swift & Company did all this for you in 1917 at an expense of less than 2½ cents per pound of beef sold, including an average profit of ¼ of a cent a pound.

Figure for yourself how little effect this cost and profit had on prices you paid for beefsteak.
