

The Branch House Man

This is one of the Swift & Company Branch House Men.

They are all pretty much alike in the way they feel toward their work—and that is what this ad is about.

They know that most people couldn't get such good meat promptly and in good condition if it weren't for the branch houses of which they are in charge.

They know that the branch house is a convenience to you, and that it is the result of the thoughtfulness and effort of a lot of people of whom you have never heard.

Company branch house won't run itself, and that it is up to the branch house man to run it properly.

Any branch house man who doesn't see his work in this light is transferred to some other place with Swift & Company to which he is better adapted.

They are picked men, these branch house men. Every time you sit down to a steak or chop, or cut of roast, you can give a grateful thought to the whole crew of them.

And remember, in a general way, that everything that makes life smoother and more convenient for you, is the result of the thoughtfulness and effort of a lot of people of whom you have never heard.

Swift & Company, U. S. A.

NICHOLS WINS FOR CONGRESS.

The latest returns from the fourth Congressional district indicate that Sam J. Nichols of Spartanburg has defeated Horace L. Bomar also of Spartanburg by about 100 votes.

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop using dangerous drug before it calivates you! It's horribile!

You're bilious, sluggish, constipated and believe you need vile dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without criping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.
