Columbia. — "Some dissatisfaction has been caused by the late orders concerning the consumption of sugar," say a western paper in a timely editorial. "but the discontented must remember that the Food Administration is not to blame. They should direct their criticism at the German junkers and not at the administration. The shortage of sugar has been caused largely by U-boats. There is plenty of sugar in the world, but the lack of shipping and the sinking of sugar cargoes have caused all the trouble."

The sacrifice the people are called upon to make is comparatively small. In a few months the likelihood is that the need of it will pass.

"Meanwhile," the writer continues, "let the grumblers think of the boys who are giving all for their country, who are enduring cheerfully the sum of all hardships and danger, and then look at himself in the mirror when he complains of being deprived of the second spoonful of sugar for his coffee. One look should be enough."

DON'T BE A U-BOAT.

Use one level teaspoonful of sugar in your coffee. Don't be a U-boat. U-boats sink sugar. Sugar sunk in the bottom of a coffee cup is wasted the same as sugar sunk by a submarine. Put in one level teaspoonful, and stir for all you're worth.

NEW FLOUR REGULATIONS ARE NOW IN EFFECT

Columbia. — Everybody is asking about the new flour regulations. These went into effect on September 1st. The famous "fifty-fifty" regulation has changed its proportions. Only one pound of substitutes is now required to each four pounds of wheat flour. The number of substitutes have been materially reduced. Only corn flour and corn meal and barley flour are left in the front line. Victory Bread also retreats to the 20 per cent of substitutes basis.

It is emphasized, however, that wheat conservation as a war duty is not cancelled. It is necessary to build up wheat reserves against possible disaster. The obligation is upon every one to mix wheat flour with 20 per cent of substitutes.

One Delivery a Day.

Columbia. — On account of the scarcity of labor, merchants throughout the State are requested by the Food Administration to adjust their business so that they will be able to confine their deliveries of purchases to one delivery a day to their consumers. This applies to small towns as well as to cities.

"No American May Refuse," Cardinal Gibbons Says

James Cardinal Gibbons, the leading Catholic churchman in America, has issued a strong appeal in support of the United War Work Campaign.

"It is an American campaign," he said. "Its appeal is one that no American may refuse. America's answer will be another triumphant announcement that we are in this war as one people and as one nation to see it through to victory. Into the splendid work of sustaining the morale of our fighting men the great social organizations of America have thrown themselves. The American people will raise the sum they ask—generously and gladly."

CATHOLIC BOYS JOIN WAR WORK CAMPAIGN

Girls, Too, Will Stand With Them Behind Every Fighter at the Front.

To put behind every Catholic fighter in France the support of one boy or girl in every parish throughout the United States is the plan of the National Catholic War Council for backing the Victory Boys' and Victory Girls' "Earn and Give" Division of the United War Work Campaign to raise \$170,500,000 "for the boys over there" during the week of November 11-18.

Through diocesan, county and parish organizations, the rallying of one youngster for every man who has gone to war in every community is already under way. By their own earnings, and not by contributions, it is expected that these sturdy little sponsors for the boys abroad will each raise at least five dollars for the joint welfare work of the Y. M. C. A., Y. W. C. A., National Catholic War Council, including the Knights of Columbus, War Camp Community Service, Jewish Welfare Board, American Library Association and Salvation Army.

Boys and girls in every Catholic parish throughout the United States are already being picked to represent each fighting man who has left their church for the front. In every home that flies a service flag little brothers and sisters, sons and daughters, are eagerly volunteering to look out for the share of their family fighter in the huge joint welfare campaign for all the boys abroad.

TAKE THE "VEIL" FROM YOUR VISION

Some people put a heavy veil on, so to speak, when they look through their reading glasses at objects more than a few feet away. Things look blurry and indistinct.

This proves that they need KRYPTOK glasses. The glasses you now wear may be good for close work, but when you look up you can not see distinct objects clearly.

KRYPTOK GLASSES K THE INVISIBLE BIFOCALS

They not only "lift the veil" from distant things but also enable you to see nearby objects (with one pair of glasses) clearly and distinctly. KRYPTOKS (pronounced Crip-tocks) are crystal clear without seam, line or hump. That's why they are infinitely superior to all other double vision glasses. Call and let us tell you other reasons why you should have Kryptok glasses.

AUCTION SALE

OF

SMALL FARMS and RESIDENCE LOTS

At GILBERT, S. C., 10:30 A. M., Friday, Nov. 15.

The magnificent farm of Dr. P. A. and Mr. G. Olin Smith, located in the town of Gilbert, S. C., has been subdivided into small farms and building lots and will be sold at auction to the highest bidder, rain or shine, on Friday, November 15th, 1918, at 10.30 A. M.

Gilbert is located on the Augusta branch of the Southern Railroad, 23 miles from Columbia. The enterprising citizens of this coming little city have recently applied for a charter for a \$30,000.00 bank. This, together with other contemplated enterprises, should, and we believe will, at least, double the population of the town in a short time. Gilbert today is one of the best locations we know of in the State for several large mercantile establishments, surrounded as it is by one of the best best farming sections in the South. Come to this sale. Yes, come before the sale, and look over the proposition. We will be delighted to show you over it.

The price of Real Estate is advancing every day and we honestly believe that anyone who invest their money in some of this property on Friday can make a handsome profit within one year.

Then get in on the "ground floor", give us your presence on that day. The terms will be very liberal. We will have band of music and will distribute handsome presents.
