

FOLEY'S HONEY AND TAR

MADE of the purest, freshest and finest ingredients to be had—contains no opiates or other harmful drugs—and for more than thirty years used with satisfaction and success as a remedy for coughs, colds, croup, whooping cough, la grippe and bronchial coughs.

Tells What It Did for His Wife

L. E. Forester, R. F. D. No. 2, Sistersville, W. Va., writes: "Two years ago, my wife was taken with a hard cold. We tried three or four doctors with no results. I was finally convinced that she was threatened with serious sickness, and as a last resort, I resolved to try Foley's Honey and Tar upon the recommendation of our neighbors. First I got a 25c bottle. The result showed at once. Next I got a \$1.00 bottle. The cure was almost complete by its use and another finished it. We always keep it in the house and would not be without it. We heartily recommend it to everyone. I tell you it's a good medicine and want you to know it."

Sold Everywhere

DOTS FROM ST. JOHN'S

The farmers are very busy gathering and sowing small grain. The health of this community is very good. All that had influenza are able to be out again.

Mr. Raymond Hendrix son of Mr. Ed Hendrix has been confined to his room with a case of diphtheria but is able to be out again and up until this time not any more of the family has contracted it.

Little Miss Lillian Keisler is confined to her bed with malaria fever but under the skillful treatment of Dr. Homer Mathias we feel ure she will soon be out again.

Mr. Clarence Keisler from Camp Jackson spent Sunday at home with the home folks.

Mr. Ralph Hendrix was home from Newberry.

Mr. Heber Ballentine is at home spending a few days. We are always glad to have the boys at home and hope ere long we can claim them as our boys once again.

Rev. and Mrs. G. H. C. Parks of Kannapolis, N. C. are visiting at Mr. Jesse Ballentines the former home of Mrs. Parks.

The St. John's school will open Monday Nov. 18. The opening has been delayed on account of the "flu" but we feel ure that Prof. O. F. Shealy as principal and Miss Ethel Shealy as assistant and music teacher that the children will all make good this session. The school improvement league has very recently purchased a nice new piano and we are looking forward to the time when our homes will with music ring.

Rev. O. B. Shearouse will hold his fall communion service next Saturday and Sunday Nov. 17 and 18 which has been delayed on account of "flu". Mr. W. O. Kaminer and family visited at Mr. E. E. Hooks Sunday afternoon.

Mr. Dedic Kyzer and family visited at Mrs. Amanda Harmans Sunday.

If I escape the waste basket I may come again.

FLOSSIE.

SMELTER FOREMAN MADE GREAT GAIN.

Says His Friends Thought He Could Not Recover.

AMAZING CHANGE.

Gained 32 Pounds by Taking Tanlac and Troubles are Gone.

"I already have gained thirty-two pounds on Tanlac and now everybody is amazed at my wonderful recovery," was the remarkable statement by W. D. Jones, foreman on the feed floor of an El Paso, Texas, smelter.

"About eight months ago," he continued, "I was taken down with what was called malaria. Then my stomach got in a terrible fix, and what little I did eat seemed to form in lumps in my stomach. I have gone as long as three days without eating, except a glass of milk. I developed a frightful case of rheumatism in my arms, neck and shoulders. Though I tried everything I heard of, I steadily grew worse until I was helpless. I do not believe I slept three hours out of the twenty-four and what sleep I did get did not rest me."

"I dropped down in weight from one hundred and sixty pounds to one hundred and eighteen pounds—just a frame of skin and bones—and had spent over two hundred dollars for treatment. I kept on going down hill. A friend recommended Tanlac, and after taking six bottles of it I felt like a new man. I have actually gone up to one hundred and forty pounds, and I am gaining every day. I can just eat anything I want and I have a fine appetite. Nothing hurts me any more and I do not know any better way to show my appreciation than to tell others how Tanlac helped me."

Tanlac, the master medicine, is sold exclusively at Harmon Drug Co., Lexington; Burnette and Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Crosson Drug Co., Leesville; Eargle's Drug Store, Chavira; Dr. W. T. Brooker, Swansea; Pelton Drug Co., Pelton; W. J. Cayce, Cayce; A. E. Leaphart, Gilbert; The Lorick Co., Irmo; W. H. Suber, Peak. Price, \$1.00 per bottle, straight.

Swift & Company, Chicago, Plan 1918
One of Our 22 Packing Plants in U. S. A.

Unlike Topsy— Swift & Company Has Not "Jest Grown"

Swift & Company, in fifty years of well ordered growth, has become one of the great national services because it has learned to do something for the American people which they needed to have done for them, in the way in which they preferred to have it done.

It has met each successive demand, in the changing conditions of national life, by getting good meat to increasing millions effectively, efficiently, economically, and expeditiously.

The Swift & Company packing plants, refrigerator cars, car routes, branch houses, organization, and personnel of today are the practical solutions, born of practical experience, to the food problems of half a century.

Because of all these elements working in correlation and unison, Swift & Company is able to supply more and better meat to more people than would have been possible otherwise, at a net profit per pound of meat so low (a fraction of a cent) that the consumer price is practically unaffected.

Strip away any portion of this vast, smooth-running human machine, and you make a large part of the meat supply uncertain, lose the benefit of half a century of fruitful experience, and scatter the intelligent energies of men who have devoted a life work toward meeting the needs of a nation in one vital field.

The booklet of preceding chapters in this story of the packing industry will be mailed on request to
Swift & Company,
Union Stock Yards, Chicago, Illinois.
