the superintendent of contactour and the trustees having Saluda county cut up in school districts. We think the p an a good one, provided they have them cut up in small districts and then have a good school house put in lic spirited kind and are alwaps ready to welcome legitimate capital to our midst. Talks were made by our leading business men, and Mr. Daniel Kratzer, our old friend from the North who winters here, was present to lend a helping hand in the consumation of the deal. Mr. Will Mitchell presided over the meeting and Mr. N. U. Gunter, acted as secretary. The hotel will be erected on a beautiful piece of ground about 325 acres, between Batesburg and Leesville. There will be no delay in construction, as it will commence at once. 1et the work go merrily on. This should be an incentive to our citizens to lend a helping hand towards other and greater things for the npbuilding of our community. The citizens of Leesville met the Northern gentleman Monday morning and discussed the hotel project. The meeting was an enthusiastic one, all present ageeeing that the hotel must be built. The project is one in which Batesburg and Leesville share equally.
