THE MIGHTIEST MONEY - SAVING SALE EVER LAUNCHED IN WESTERN CAROLINA

Stock Riddance, Quick, Decisive and Complete is the Object. Fearless Price Cutting, Annihilation of Profits. A Total Disregard of Cost is the Method.

Fierce selling, eager buying and complete clearance of stock will be the outcome.

It is not a sale of odds and ends, or shop worn stuff. Nothing is reserved. Every item in every department is offered at, and below, the actual cost. Some going at 1-2, some 1-3, and some at 1-4 of the original value.

Not of styles, but the best that money and experience could procure.

Every item is a rare bargain gem and represents a tremendous saving of cold cash.

Cancel all other engagements, side-track your farming, building and household affairs. You cannot afford to miss this Great Carnival of Bargains.

It is the sale you have been looking for, asking about, waiting for.

With us the season is over--with you it is not half gone.

There have been many similar sales, but none have ever equaled this, in amount of merchandise involved or lowness of prices.

We should not be doing our duty by the public or our patrons were we not to let it be known in every possible way.

Of course it is impossible to enumerate the thousands of articles in such an aggregation, but the following list will serve as finger post.
