DEAD

His face looked natural and his friends said that death came from "heart failure"

An announcement of this character is usually the "Mantle of Charity" thrown around the passing away of some unfortuna te and is certainly expressing it more delicately, than if it were said, his death was the result of a protracted spree of drunkness.

A true history of the majority of cases where simply, "Heart Failure' is assigned as the cause of death would show that the Liquor Habit, after having wrought every other kind of failure in the man's life, kindly, as a fitting climax, brought about his death from "Heart Failure" but whiskey was the direct cause of that heart failing-
