DEATH OF ROPER SHEALY

AFTER SUFFERING MORE
THAN EIGHT WEEKS WITH
TYPHOID FEVER PASSES
AWAY-MEMBER OF THE
BAPTIST CHURCH
AND HE WAS A
CHRISTIAN

After suffering with typhoid fever for eight long weeks, the spirit of Roper Shealy, on last Saturday afternoon, winged its flight to the God who gave it. Roper Shealy was the seventeen year old son of Mr. and Mrs. R. B. Shealy of this place. Roper was a model boy. He was a paragon of honesty and truth. Some few years ago, Roper gave his heart to the Saviour and connected himself with the Baptist church at this place, and from that time up to his death, he was loyal to the trust. He let nothing, but sickness, keep him away from the prayer meeting, church and Sunday School services. He was a faithful attendant, because he loved God and loved his people.

We are told that death loves a shining mark, and it can truly be said that if there ever was a shining mark Roper Shealy was one; and his character, as a christian, shone as bright and dazzling as the noon day sun.

During his sickness, all that fond parents and loving friends could do was done to stay the ravages of the disease, but all to no purpose.

The Lord called him up higher. To the mother and father who are now passing through the ordeal of separation we would say: It is well with the boy. We make mistakes and blunders, but the Lord is perfect, and it is impossible for him to make mistakes. The blessed Master says of those who put their trust in him: "They are mine and no man can pluck them out."

On last Sunday the remains of Roper were laid to rest in our city of the dead, his pastor Rev. W. T. Hundley officiating. His Sunday school teacher and some of his class mates acted as honorary pall bearers. Sleep on Roper until the Master comes the second time to gather up his jewels and God grant at that day you will hear those thrilling words: "Enter into the joys of thy Lord."

SMITH'S MAJORITY IS FOUR THOUSAND

WILL HAVE 35 MORE VOTES THAN BROWN IN CONVENTION.

Atlanta, Ga. Aug. 24.—"Cannonism" played an important in Georgia politics during the past several months and at the Democratic primaries yesterday brought the defeat of Leonidas F. Livingston and William M. Howard, in point of service the oldest member of the Georgian delegation in the national house. In the Fifth district William Schley Howard, a young attorney, won a decisive victory over Livingston. In the Eighth district the returns show a convention majority of four votes for S. T. Tribble and today Congressman Howard filed notice of contest of the election. He charges irregularities at two precincts in Elbert county, which gave Tribble a majority of four votes.

The other nine members of the Georgian delegation in Congress are assured of renomination.

The first against Livingston and Howard was, in each case, based upon their alleged dereliction of the Democratic party when it was sought last December to change the so-called Cannon rules of the house.

Former Gov. Hoke Smith won the nomination to governor over the incumbent, Joseph M. Brown. Smith's popular majority in the State was approximately 4,000. Two years ago Brown whom Gov. Smith had removed as chairman of the State railroad commission, defeated Smith for reelection by a popular majority of more than 10,000.

Among the few contests for other State offices, J. A. Perry won over O. B. Stephens, for railroad commissioner; M. L. Brittain defeated B. M. Gettler for State school commissioner; T. S. Felder won over the incumbent, H. A. Hall for attorney general.
