Call to Pastorate
Rev. Arthur E. Crane of this city has received a call to the pastorate of a Baptist church at Colorado. At this writing we have not learned whether he has accepted the call or not.

Don't let rain, snow, sleet, cold, or any kind of weather keep you away from town during Baum's Great Ten Days Sale. Come young. Come old. Come if you are well. Come if you are sick. Baum's Bargains will make you well.

Marriage.
Married on the 11th inst. by Capt. L. M. Peebles, Notary Public, Mr. Parker Watkins, of Sandy Grove, and Miss Florence Owens, of Oakland. We extend heartiest congratulations to the bride and groom.

New Baptist Preacher Wanted.
About April 1st, us Baptists will want a new pastor. As The People circulates in twenty-three states and territories, it may chance that this will meet the eye of some pastor at present disengaged, who might consider a good offer. As an additional inducement, we may mention that a place with us is seldom of long duration, as our pulpit is merely a stepping stone to something better.

—Don't fail to take advantage of Baum's prices during his ten days sale. See his great ad.

Marriage.
Married on Sunday night, the 18th inst., at the Methodist parsonage, by Rev. C. C. Herbart, the pastor, Mr. J. F. Gettins of Pinewood, S. C., and Miss Minnie E. Hough, of this city. The bride is the charming young daughter of Mr. and Mrs. W. C. Hough, with whom we condole in their misfortune. On Monday evening the happy couple took their departure for their future home at Pinewood. They were accompanied to the depot by a large number of friends and well-wishers, which gave ample assurance of the popularity of the bride. Our best wishes follow this young couple in their journey through life.

SANDY GROVE ITEMS.
Who is County Supervisor.

Editor The People:
Please give me space in your valuable paper for a few lines concerning our public roads? We want to know who is county supervisor in East Kershaw from Black River to Tiller's Ferry bridge, on the Cheraw road? For a distance of about eight miles it is a disgrace to our community for even our mail carrier to have to go around pine tops, logs and gullies. This road in part has not been worked in more than two years. What has become of the commutation tax collected on that part of the road? Have we a township commissioner in Buffalo township? Voters, this is election year.

We will close by inviting the esteemed County Supervisor to pay a visit to East Kershaw, and let the voters see who he is. With best wishes to the editor and the paper, I remain
Reporter.

To the Democratic Voters of the City of Camden, S. C.
The voters of the several wards will meet at the Opera House at 8 p. m., on Friday evening, February 24th, for the purpose of organizing into ward clubs. It has been suggested that for the new wards all but the city north of Broadway street and east to the extension of Lytleton street, shall be known as ward No. FIVE; and that territory north of Broadway and west of Lytleton shall be known as ward No. SIX. Each ward club shall organize by the election of a President, a Secretary and a Representative on the Executive Committee. It is also suggested that each club appoint a committee to see that wards are registered on the club rolls of all democratic voters in the several wards, as this is prerequisite for voting.

Immediately after the organization of the ward clubs, the presidents and representatives, just elected, will meet, elect a member of the executive committee at large, and further organize by the election of a City Chairman, and Secretary; and attend to any further business as to the arrangements of the primary election which will according to the rules, be held on the third Tuesday in March, being the 23rd day of the month.

James Daum, Chairman.
Jno. W. Corbett, Secretary.
Other city papers will please copy.

S. S. Secretary Appointed.
Rev. J. D. Moore of the Camden Baptist church here, has been appointed secretary of the State Baptist Sunday School Board, and has accepted the appointment. All of us regret to lose Mr. Moore, but as the new position carries with it a considerably higher salary than his present charge, we can't blame him for accepting it.

Silver Spangled Hamburgs.
The most beautiful of all breeds of thoroughbred poultry is the Silver Spangled Hamburg. Of medium size, and beautiful in shape and plumage, a flock of them once seen will never be forgotten. We bred this variety more than fifteen years, and can truthfully say that they were ever a joy to the eye. They stand confinement well, and if properly fed and cared for, can be counted on to keep the egg basket filled at all seasons. They are supposed to be non-setters, but we have had two and three year old hens to set beautifully, and make capital mothers. As a farm breed we cannot recommend them. The farmer wants something heavier, and we take pleasure in recommending the several breeds advertised in these columns. For the city fancier however, we cannot give the S. S. Hamburg too much praise. They combine every good quality that is possessed by any other breed except beef, while in beauty they have no peer.

Trespass Notice.
All parties are hereby warned under penalty of the law not to trespass upon any lands in eastern Kershaw owned or controlled by me, in any manner whatsoever, hunting, fishing, driving or walking through the same.
3-1-06. W. D. MARSHALL.

—Mr. J. E. McLaurin, of Bethune paid us a pleasant call on Monday. There is always something particularly good about Mr. Mc's calls, outside of the social feature. They mean something to the editor.

—We regret to learn that Capt. Allen Clark of the Southern, suffered a stroke of paralysis in the right eye a few days ago, and sincerely hope that it will not have serious results.

—Senator David B. Hill spent a day of so in Columbia last week. We presume a part of his object was to catch a glimpse of our no-law-makers then met and sitting in general Assembly for the purpose of killing time and spending the people's money.

LATER: Mr. Hill addressed the Legislature.

Antioch Dots.
Dear Editor and People:
It is with pleasure that I send a few items from this section. Farmers are right busy preparing their lands for another crop.

There was a Valentine party given at the residence of Mr. Calvin Rodgers on Wednesday night. A large crowd was present and all seemed to have a nice time.

Mr. Pleasant Tolamon and Miss Mabel Elmore were happily married last Sunday morning the 18th inst., at the home of Rev. J. W. Davis.

Mr. Bob Belvin and Miss Ada McCaskill, of Cedar Creek were also married Sunday afternoon, Rev. J. W. Davis performing the ceremony. We wish them much success and happy new year.

Miss Anna Holland who has been teaching the Cum Spring school is quite ill with Pneumonia. We hope for her a speedy recovery.

Miss Jessie Wilks has again taken charge of her school, much to the delight of scholars and friends.

Mr. David Horn and sister, Mrs. Susie, passed through this section Thursday.

Mr. F. P. Rodgers has added a new barn to his buildings.

If this do find its way to the waste basket, I will come again. With best wishes to the editor and People.
Violet.

At the Opera House.
On next Saturday, Feb. 24th, the Thompson & Otto combination will appear at the Opera House in Camden, prepared to afford more amusement to our people than they have had in a long time.

Mr. Thompson who sings the illustrated songs as the illustrations pass—has a rich, robust tenor voice with the power to sing into the soul the selections he renders. The audience frequently joins in the chorus and make the rafters tremble. All that is good and novel in the way of pictures will be shown including "Tracked by Bloodhounds," "A Lynching at Cripple Creek," "The Detachable Clown," "Lover's Crime," "Human Fly," "Be Sure Your Sins Will Find You Out," "Police Raid," like reproduction of the great "Brit-Nelson prize fight," "Marie Antoinette," "Fake Phenomena,"

Popular prices. Seats for sale at F. Leslie Zemp's Drug Store.

—We notice that the press generally, are coming down on the legislature. Let's abolish the blame thing, and let the Governor, Senator Tillman, and the dispensary examining committee run the government.
