After A Long Wait.

After a long wait, Mr. John McSmyrl had his claim against the old State dispensary ordered paid on last Monday by the Dispensary Board. The board docked the account about \$950, but even deducting that amount, a very comfortable balance of about \$33,500 was left. This claim was eminently a just one, as there was no suspicion of graft attached to it, and we congratulate Mr. Smyrl on the settlement. He was represented before the board by Mr. L. A. Wittkowsky of our city.

Death.

Died, at his home on Gum Swamp on the 27th ult., Mr. Benj. Bass in the 57th year of his age from a stroke of paralysis suffered about eight weeks previous. He leaves a widow and two sons to mourn his loss to whom our sympathy is extended.

Died on Friday morning, the 28th, ult. Allan W. Powell, a well known colored citizen of a complication of diseases, chiefly paralysis and kidney trouble after a lingering illness. The deceased was not popular with either the colored or white races of this city for some unknown reason, but as for us, our dealings with him were always pleasant. He kept himself strictly in his place, and we extend sympathy to his widow and family.

Good For Everybody.

Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system. Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequaled. 50c at F. Leslie Zemp's, Camden Drug Co., and Zemp & DePass, drug stores."

SPORTS.

Fine Polo Game.

Feb. 28.—Camden's visitors turned out today in full force to see the Blues win from the Reds by 4-1-2 to 2 goals. The day was a cool, bright, bracing one and horses and men were both at their best. The lineup was: Reds, Whistler, Boykin, Stevens, Salmoud; Blues, Smith, Kennedy, Toan, Goodwin. The game was played with snap and vim and drew thunders of applause from the packed stands. Walter L. Goodwin of the Taconics (Hartford, Conn.) played for the Blues and had much to do with the fine showing made by them. L. L. Stevens of the Somerset team played for the Reds and materially strengthened that side.

Col. E. A. Stevens of the Somersets refereed the game.

Edwards Beats Al Kubiak.

Feb. 28.—Billy Edwards, the clever heavy-weight, to night beat Al Kubiak, the "Michigan giant," in a fast and interesting wrestling match. The first fall was gained after 29 minutes of scrappy work. The second fall resulted likewise in 19 minutes time, Kubiak being downed with a combination of head scissors and arm bar lock.

The bout was refereed by Mr. D. Witherspoon. Mr. James McDowell acting as time-keeper.

Announcements.

FOR MAGISTRATE.

I hereby announce myself as a candidate for the office of Magistrate in DeKalb Township with office at Camden, and respectfully solicit the suffrages of the voters at the ensuing primary.

I pledge myself to abide the result of that primary, and if nominated, will give you the best service in my power.

Very respectfully,
H. M. Fincher.

This will announce to the voters and my friends in DeKalb Township that I am a candidate for the position of Magistrate in said township with office at Camden. The duties of this office are not new to me as I have filled a similar position in another township with satisfaction to the people. I will feel grateful for any support given me, and if nominated will serve you to the best of my ability.

W. Thos. Gardner.

FOR SUPERINTENDENT OF EDUCATION.

We hereby suggest to the voters of Kershaw county the name of Mr. D. P. C. Murchison as a candidate for the position of Superintendent of Education to be nominated at the August primary. Mr. Murchison is a ripe scholar, and a school teacher of many years experience on a first grade certificate. If elected he will give satisfaction to the people.

The Lucky Quarter.

Is the one you pay out for a box of Dr. King's New Life Pills. They bring you the health that's more precious than jewels. Try them for headache, biliousness, constipation and malaria. If they disappoint you the price will be cheerfully refunded at F. Leslie Zemp's, Camden Drug Co., and Zemp & DePass' drug store.

Death.

Died on Friday morning, the 28th inst., at his residence on Fair street this city after a lingering illness, Capt. Jas. L. Haile, in his 66th year. The deceased was a genial, kindly gentleman, a fond husband and father, one of our best citizens and a gallant ex confederate.

He leaves a widow and several sons and daughters to mourn his loss. Our sympathy goes out in full measure to these and other bereaved relatives.

The funeral services were conducted at the Presbyterian church in the presence of a large congregation, at 11 o'clock on Saturday, and the remains interred in the family plot in the Quaker cemetery.

The community was shocked on Sunday morning to learn of the untimely death of Mr. Sidney T. Zemp which sad event occurred at Boulder, Colorado on the night previous. Our young friend left here several weeks ago for Colorado in hopes of recovering from that dread disease, consumption, but alas, too late. He was accompanied by his sister, Miss Ellie Zemp, who attended him with undenyng devotion until the summons came which separated a brave and noble soul from a disease-worn body. The remains were embalmed and shipped to this point, leaving Boulder we are given to understand on Monday evening. They were expected to arrive here last night or this morning, but at this writing, we have not ascertained whether they have yet reached here.

The deceased leaves a sorrowing father and mother and numerous other relatives with whom we mourn in common as we were glad to claim Sid as our friend.

For Solicitor.

The establishment of the 11th judicial circuit removes Solicitor Timmermann from our circuit, so another solicitor will have to be appointed by the Governor to fill his place. The many friends of Mr. B. B. Clarke will be pleased to learn that he is a candidate for this appointment. No better choice could be made and we hope that Governor Anderson will honor our friend with the peace that he will honor. Mr. Clarke is one of the ablest lawyers at this bar, a profound student, and an able speaker. Everyone wishes him success in his aspirations.

An Appreciated Compliment.

The following is from The Southern Publisher, published at Charlotte, N. C. It is needless to say that we appreciate to the full the kindly expressions of the editor:

"The People of Camden, has entered its fifth volume and shows substantial evidence of being popular and prosperous. The People is what a family paper should be—newsy, candid, accurate and able. Editor Schrock is a man with opinions of his own and grit enough to express them, and his readers honor him for it. May unbounded success attend him and his excellent paper."
