Westmoreland's Calisaya Tonic is that physicians never hesitate to use it their is proof positive as to its merits.

COLUMBIA, S. C. Gentleman, -I have very thoroughly tested your Calisaya Tonio and do not hesitate to pronounce it a most remedial agent. As a stomachic and a tonic it is unsurpassed. For eliminating malarial poison from the system and repairing their deleterious effects, for rebuilding, retavigorating and giving tone to the system when reduced by protracted or severe fevers or other debilitating causes, there is in my judgment, no other preparation in the whole field of mediciner equal to it.
