H. Blanton. I have still on hand a full supply of the CELEBRATED **TYSON & JONES BUGGIES**, both open and top. Also, the **HAYDOCK & DAVIS Buggies**, both open and top, Road Carts, etc., all at the same old price except the Road Carts, which are cheaper.

Patronize Home and I will GUARANTEE SATISFACTION.

I keep constantly on hand a supply of **LUMBER**, both dressed and undressed, also a lot of Shingles. I can furnish **WOOD** at an hour's notice. Five hundred loads now on hand ready for market. Situated between my residence and Dr. Jordan's place, in the healthiest portion of East Bennettsville, I offer

25 NICE BUILDING LOTS FOR SALE. I have them so I can sell them; so come and look at them and get prices. We need more people in our town to take advantage of our elegant school here. By living in town you can get your children educated free; so come and buy some lots. Remember where I can be found.

To you dear friends, who owe me a little balance, and have not made satisfactory arrangements, you had better come and see me before you find yourselves in the hands of the Mercantile Association and Farmers' Alliance.
