Rain, ice, frost and sun since our last. The fishermen on the river are all in full blast now.

PERSONALS.

Mrs. J. M. Jackson is spending a few days among friends in Cheraw.

Mr. P. R. Mason, of the Gibson Station Bazaar, called to see us on Tuesday.

Friends in town have again heard from one of our former music and art teachers, Miss Louise J. Smith.

It would seem from the large lots of fertilizers still pouring in at the Cape Fear and Yadkin Valley Railroad that our farmers are going to spread the stuff this year.

Munro's Family Story Paper. The New York Family Story Paper building was gutted by fire on the morning of February 28, yet notwithstanding the great loss and delay, the New York Family Story Paper will be delivered regularly to newsdealers and subscribers as usual.

Attention, Farmers! Mr. S. A. Lewis, of Latta, calls your attention to his new plow stocks.

Loss by Fire. On Sunday morning last, between 7 and 8 o'clock, the magnificent new and spacious barn of C. S. McCall, at his Mowry place, two and a half miles west of town, was totally destroyed by fire, together with its contents, including 30 or 40,000 pounds of forage, between 15 and 1800 bushels of corn, small agricultural implements and his handsome water power.

The Democrat Moved. The office of the DEMOCRAT has been moved to one of Mr. C. S. McCall's large buildings next door, south of Swann's Restaurant and next door to R. T. Barfield's, where we have better and more comfortable quarters.

The Good Templars. The celebration of the anniversary of Bennettsville Lodge on Thursday night was highly enjoyed by all who attended.

MOTHERS, READ THIS.—If you want something for pretty aprons, boy's waists, etc., buy "Pee Dee" checks.

A Loader.

Since its first introduction, Electric Biotors has gained rapidly in popular favor, until now it is clearly the lead among pure medicinal tonics and alteratives—containing nothing which permits its use as a beverage or intoxicant, it is recognized as the best and purest medicine for all ailments of Stomach, Liver or Kidney.

Mr. David's Rice Mill. That enterprising farmer, Mr. J. H. David, in addition to his large grist and flour mill, has put in and now has at work an improved rice mill, which turns out as pretty rice as you want to see.

To My DULCINA: Divine Empress of my soul! If the nechromancy of your tyrannical charms had not seared my intellect into a cinder of solidity, perhaps the resplendency of passion might have shined illustriously through the sable curtain of my ink, and in sublimity transcended the galaxy itself, though wafted on the pinion of a gray-goose quill.

PERIGRIN PICKLE. March 15, 1893. Boats from Adamsville. Our farmers are busy planting corn and preparing for cotton.

Rev. J. W. Adkins's wife lies quiet ill, but we hope not seriously. The tenderest and deepest sympathy of the community is tendered.

By order of Bro. Henry C. Burn, District Lecturer, the meeting of the Marlboro County Alliance will be held Monday April 10th at 10 a. m.

Not over a few days the difference between style and the ordinary black ink is obtained, and in addition, it is removed and the paper is left as though the point of the pen or what it is used for. This process of staining also renders it valuable in households where careless people are likely to spill ink, and where children go away to school in white aprons, too often returning from their writing lessons ink begrimed.
