Shipped Off Again.

Duncan Terry, colored, a tough case who has been on the chaingang off and on for the last three years, made his third escape on Monday, from the guard while at work on Mr. C. S. McCall's Cook place. He is a tarheel, and has relatives about Salisbury where he was captured both times he escaped before.

Some More Clever Work.

Chief Barrett is certainly doing some clever work in catching up the parties who are selling liquor in and around town. By watching certain parties closely Saturday night he traced a "tiger" to his den. On Monday he took the trail and with proper warrants assisted by Deputy Hinson and assistant Joseph Ingram raided the home of John and Sarah Johnson south of the depot and captured 12 quart and 4 pint bottles good whiskey. The stuff was hid in a briar patch back of the house but the officers found it. Sarah Johnson and Frank Edens were arrested and are in jail.

The chief says there are others which he hopes to break up soon.

Mr. McElrone, Columbia centenarian, if he lives through next Tuesday, will have achieved that which is given to the lot of few men. He will have lived in three centuries. Mr. McElrone was born 1798. Thus he has lived in the eighteenth century during all of the nineteenth, and should be alive at the close of the twentieth century. Many men have lived to even a greater age than this without touching dates in more than two centuries. The case of Mr. McElrone is indeed a rare one.

The aged gentleman's many friends will regret to know that he is sick with a slight attack of the gripe.

Six Frightful Failures.

Six terrible failures of six different doctors nearly sent Wm. H. Mullon of Lockland, O., to an early grave. All said he had a fatal lung trouble and that he must soon die. But he was urged to try Dr. King's New Discovery for Consumption. After taking five bottles he was entirely cured. It is positively guaranteed to cure all diseases of Phroat, Chest and Lungs, including Coughs, Colds, Lagrippe, Pneumonia, Bronchitis, Asthma, Hay Fever, Croup, Whooping Cough, 50c and \$1.00.
