**At 3.30 the same day** and by the same officer, at the residence of the bride's father, at the Cotton Mill, Mr. Warren Moore and Miss Daisy Stanley. There were several attendants and a large crowd of friends witnessed the last mentioned marriage. Mr. Gibson must have a magnetic way of "tiding the knot," as he seems to be getting a lot of this kind of work to do.

**The April Term of Court.**  
The April term of court closed Friday night, after a session of three weeks. The first week was profitable in the way of heavy fines collected, but the two last were rather expensive. The last case heard was McNair & Parrell vs Chas Crossland for a lot of fertilizers sold to the Alliance. The Jury failed to agree on a decision.

**The Pension Money.**  
Mr. J. A. Drake, clerk of Court, has received a check for the pension money allotted to our county. Class B, of which there are only three, will get \$19.60. Class C, of which there are over 100 will get \$14.70. Those who want it now can get it by calling on the clerk.

**A Pleasant Compliment.**  
At a meeting of the Trustees of Clio High School Tuesday afternoon, the Board unanimously selected the faculty of last year: Prof. J. B. Smith principal and Miss Sallie Crossland and Mrs. Mary West of Bennettville as assistants.

**Fire at Madlin Springs.**  
On Saturday about noon while the family were at dinner fire was discovered in the roof of Rev. W. H. Kirkman's residence and before help could be obtained the fire was beyond control and only a few articles were saved. The loss is reported at \$500 fully covered by insurance.

**The Damage by Rains.**  
The reports from the rains in all parts of the county continue to come in of a serious condition of the crops. Cotton in some places is covered with grass, and corn is turning yellow. The oat crop is also in bad shape for cutting and the land is too unsafe for the mowers. A few days warm weather may change the prospects.
