E. C. NEWTON, Tatum, S. C. New Scholarships for Men Teachers at the South Carolina College.

Clause from Appropriation Act of Gen-eral Assembly, 1993: eral Assembly, 1803:
"That one thousand six hundred and forty dollars be appropriated to be used to provide forty-one scholarships in the Normal Department, one from each county, of the value of forty dollars, besides the remission of tuition and matriculation fees, the beneficiaries to be selected under regulations to be prescribed by the Board of Trustees." This means \$40 in cash to the student, besides remission of \$40 tuition and of \$13 matriculation term fee. Thus the scholarship student will receive from the College \$5 a month for eight months to assist him in his necessary living expenses.

REGULATIONS BY THE BOARD.

REGULATIONS BY THE BOARD.

1. Applicants shall be young men at least nineteen years of age. The purpose of the General Assembly being to encourage men teachers, preference will be given to those who fundamental statement of the control of the statement of the statement of the statement of the transfactory evidence of having already taught for at least one session, and with success; but if from any county there be no suitable applicants who have taught, the scholarship of that county may be awarded to a young man who only intends to teach.

2. Applications shall be made to the President of the College, at Columbia, before July 1st, upon prescribed blanks furnished by the President or by County Superintendents of Education, upon request. These blanks shall provide for information and references as to the applicant's age, physical condition, general character and ability, educational advantages, financial circumstances, teaching experience, and purpose in taking the special normal course. The information thus submitted will be regarded as a preliminary examination, and those who receive permits to stand the later examination will be credited with the combined results of these two examinations. with the combined results of these two examinations.

with the combined results of these two examinations.

3. The later and formal examination shall be upon English Grammar and Composition, History and Geography, Arithmetic and Elementary Algebra, (Algebra, however, is not indiapensable.) The Normal Scholarship Committee of the Faculty shall prepare the questions and mark the papers. The County Board of Education of each county is requested to conduct this examination at the same time with the entrance and other scholarship examinations of the South Carolina College and of Winthrop College, (which this year will be on Friday, July 10th). The County Board will receive the questions from the President of the College, and is requested to return the answers to him, at Columbia, forthwith, by mail or express.

4. A standing Committee on Scholarship

him, at Columbia, forthwith, by maji or express.

4. A standing Committee on Beholarships, appointed from the Board, in conjunction with a standing Committee from the Faculty, shall select the scholarship students for each county upon the results of the examinations reported by the Faculty Committee, and all the other information submitted. The proper announcements shall be made through the President.

5. After the first year the incumbent may be reappointed, provided that, in the judgment of the Faculty, his aptness to teach, his progress in study, and his general character indicate that he is a suitable person to fulfill the purpose of the scholarship as provided for by the General Assembly. Rowe are guaranteed to be fresh and give perfect satisfaction if not you can return them and get
