THE NEW YORK WORLD Thrice A Week Edition.

The Most Widely Read Newspaper in America.

Time has demonstrated that the Thrice a-Week World stands alone in a class, Other papers have imitated its form but not its success. This is because it tells it impartially, whether that news be political or otherwise. It is in fact almost a daily at the price of a weekly:

suited to the home and fireside. The Thrice a Week World's regular The Thrice a Week Works per year subscription price is only \$1,00 per ye and this pays for 156 papers. We offer this unequalled newspaper and the Dem-perat together one year for \$1.67.
