To the Sunday School Workers of Marlboro County:
Dear Brethren: The time for holding the next County Sunday school Conference of the M. E. Church, South, has been changed to last Friday and Saturday in April and will be held at Beulah church, Olio circuit. As this is the first meeting ever held at Beulah, it is earnestly hoped that every school in the county will have full representation, and that it be made one of the best yet held. This is a matter that rests with the workers and demands a hearty response. Each school should elect two delegates, as early as possible, as the time for the conference is limited.
The Board of Education, Marlboro County, S. C., is holding a meeting at Beulah church, Olio circuit, on Friday, April 2nd, at 10 o'clock. The meeting is open to all interested parties.

THE NEW YORK WORLD
Three A Week Edition.
The Most Widely Read Newspaper in America.
Time has demonstrated that the Thrice a Week World stands alone in a class. Other papers have imitated its form but not its success. This is because it tells impartially, whether that news be political or otherwise. It is in fact almost daily at the price of a weekly.
In addition to news, it publishes first-class serial stories and other features suited to the home and fireside.
The Thrice a Week World's regular subscription price is only \$1.00 per year and this pays for 156 papers. We offer this unequalled newspaper and the Democrat together one year for \$1.67.
