Some days ago I sold one of my

customers, Mr. J. J. Jones, a box of Dr. King's Worm Candy. His wife had been in bad health for some time, and he urged her to take some Worm Candy. She, of course, did not want to take it, but after some very strong argument, she finally prevailed. She took four (4) Lozenges according to directions, and was relieved of some 63 worms. She had been taking medicine from several physicians and they did her no good. He is willing to be qualified that some of the worms were a foot long. He also gave his child some of the candy and it was relieved of three (3) worms, making in all sixty six (66) worms from one box of Dr. King's worm Candy. This testimonial is entirely unsolicited, but I thought it my duty to inform you of the merits of the Worm Candy in this section.

Here sinners of a humble frame May taste his grace and le. ru his name; May read, in characters of blood, The wisdom, power, and the grace of God.

Here faith reveals to mortal eyes A brighter world beyond the skies; Here shines the light which guides our way From earth to realms of endless day,

O, grant us grace, almighty Lord, To read and mark thy holy word, I, a truths with meekness to receive, And by its holy precepts live.
