Horses Do Get Sick.

When a horses and mules are - poo do not get enough to eat. Many animals, just like human beings, have indigestion or the system is all run down and a tonic is needed. It is not the amount of lood eaten that makes muscle and fat. More depends upon the prop-er digestion or assimilation of the lood than is commonly supposed. Nothing has yet been discovered that will build up a horse or mule better than Ash-craft's Condition Powders, the only remedy in its class sold under a guar-antee.
