CUPID'S WORK.
 Married on Wednesday afternoon, Feb. 1, 1906, at 4 o'clock, at the residence of the bride's parents, by Rev. Bunyan McLeod of the Bennettsville Presbyterian church, Mr. Grover Cleveland Hubbard of Bennettsville and Miss Liza McDaniel, daughter of Mr. and Mrs. D. J. McDaniel, of Beauty Spot section.
 After the ceremony was over and congratulations tendered, the bridal party and guests were given a royal collation by the bride's parents which lasted until the shades of night were drawn over the scene.
 The happy couple were the recipients of many pretty and useful gifts from their friends.

DEATHS DOINGS.
 On Saturday evening last by the accidental overturning of a lamp, the little baby of Mr. and Mrs. George Crosland aged about 2 years was so badly burned that he died in a few hours, in spite of the best remedies. The dear little one was the "light of the home," and this sad and sudden ending, is a terrible blow. The grief stricken parents have the sympathy of the town and county in their sad bereavement. The funeral services were held at Oak Ridge cemetery Sunday afternoon at 4 o'clock.

As pure as a drop of dew that rests Within the heart of a rose;
 As warm as a beam from the sun's bright eye,
 In the glow of the east that glows
 In the glow of the south star,
 In the glow of the sun's eye,
 This sweet and pure thing, so rare,
 Is a little baby boy.

Never loved me, mother loved him,
 But the Saviour loved him more;
 So the angels sweetly called him
 To that bright and happy shore.

It was hard to part with AUBREY,
 Oh! so sad to see him die;
 Father and mother must try and meet him
 Some sweet day by and by.

Won't Suit Our Hunters
 We see that Mr. Doar of Georgetown has introduced a bill in the legislature to change the law protecting shell game from January to September. The old law which just suited the up-country hunters reads from February to August. It may suit Georgetown but the up-country hunters prefer to open the season in August and close either in January or February. We really can't see any special need for a change. Our Georgetown friend must have been "out of soap" or wanted to do something selfish.

Public is Aroused
 The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters for sick stomach, liver and kidneys. Mary H. Walters, of 516 S. Clair Ave., Columbus, O., writes: "For several months I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from u-lesic doctors' drugs, that I could not eat. Soon after beginning on Electric Bitters I obtained relief, and in a short time I was entirely cured." Guaranteed at J. T. Douglas' Drug Store. Price 50c.

Flendish Suffering
 is often caused by sores, ulcers, and eruptions that eat away your skin. Wm. Badell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve for Ulcers, Sores, and Cancers. It is the best healing dressing I ever found." Soothe and heals cuts, burns and scalds. 25c at J. T. Douglas' Drug Store; guaranteed.

Bennettsville Pharmacy.
 The attention of the reading public is called to the advertisement of this new Drug Store now opened in the brick building on Marion street. Everything new and fresh in the lines usually carried. Call and see.

A Touching Story
 is the saving from death of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious Throat Trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was entirely cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At J. T. Horses Do Get Sick.
 When a horse and mules are poor it is not always an indication that they do not get enough to eat. Many animals, just like human beings, have indigestion or the system is all run down and a tonic is needed. It is not the amount of food eaten that makes muscle and fat. More depends upon the proper digestion or assimilation of the food than is commonly supposed. Nothing has yet been discovered that will build up a horse or mule better than Ashcraft's Condition Powders, the only remedy in its class sold under a guarantee. Ask Mr. Smith Newton, Bennettsville, for it—the drug kid up in doses. And McCall Col. Co., McCall, S. C.
