PEN AND SCISSORGRAPHS: Florence is getting ready for a Gala Week beginning December 4th. Harvie Jordan advises the farmers who have any cotton left to hold it for 15 cents.

The Patrick Market at Darlington was burned Manday. Loss \$2,000. The handsome new Presbyterian church at Florence was opened for worship on Sunday last.

Chief Koopman of Florence has two fine blood hounds trained for business. Before he got out of Georgia, Mr. Roosevelt is said to have advocated 11-cent cotton.

The president's proclamation for Thanksgiving Day has been issued naming Thursday the 30th of November. Marlboro, according to the opinion of the Attorney General, will still get some of the Dispersary profits for the school fund.

Judge Ernest Gary and Miss Eliza Barwell Rhett were married at Trinity church, Columbia on the 15th at 6 o'clock. The Fidelity Mutual Life Insurance Company wants to pay the \$25,000 policy on Robert Keith Dargan's life, but cannot do so until the body has been exhumed.

The Southern Cotton Association is being reorganized to bring about a closer union with the cotton spinners of England, the cotton spinners of Europe and New England and America cotton spinners.

A Creeping Death. Blood poison creeps up towards the heart, causing death. J. E. Stearns, Hill Plains, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life.

How Prohibition Works. Marion county may have wanted prohibition, but the traveling liquor drummers are convincing the people there that they were mistaken. Florence Times.

The Hartsville Messenger says: "There is undoubtedly more whisky key coming into Darlington county now than before the dispensary was voted out."

Yes, neighbors, these drummers want all the counties to go dry so that they can do good business. Prohibition plays right into their hands. They are constant visitors to our town and the shipments by express show that they do a large business. Its all right, they say, so South Carolina don't sell it, or get any money out of it.

The Dispensary may go but the thirst remains. It is a pleasure to take Dr. Dade's Little Liver Pills and enjoy their tonic effect upon the liver. Sold by Marlboro Drug Co.

No Case Of Pneumonia on Record. We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Kidney and Urinary Cure was taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Kidney and Urinary Cure and I will refund any substitute offered. Bennettsville Pharmacy.

Uncle Joel and His New Shirt. Mr. Editor—No fellow enjoys getting to the end of his row better than I do, and must tell an incident on myself that I think too good for your readers to lose. Perhaps it may do some fellow good in the future.

On November 5 I attended church, as is my usual custom on Sunday, and wife had purchased for me a fine shirt such as I was not accustomed to wear. It was so full of starch that I could hardly bend it to fit the body. But, toiling for some time shut up in a room to myself I finally got my head thru, so I could peep out and see where I was, and then I was not much better.

Now comes the best of all. I went in and took my usual seat near the organ, as I take a part in the music at church. Seeing the young men and ladies looking as if something had taken place I began to look around. I finally looked down, and oh, that stiff shirt bosom had pressed forward so far that my whiskers were riding way out in front, and there I was at the end of my row and what to do I did not know, but I tuffed it out until the services were over and I got back home one more time in life. Joel Covington. Hebron Nov. 9, 1905.

Saved by Dynamite. Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her." Strictly scientific cure for bronchitis and Laryngitis. At J. T. Douglas's Drug Store price 50c and 1.00; guaranteed. Trial bottle free.
