 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity, Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.

 Group is quickly relieved, and Whooping Cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This Cough Syrup is different from all others because it acts on the bowels. You can not cure Croup and Whooping Cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all Coughs, Croup, Whooping Cough etc. No opiates. Sold by Marlboro Drug Co.

**KNOWLEDGE**  
 No person should wear a glass unless prescribed by a reliable eye specialist; one thoroughly acquainted with the laws of light and science of optics. I will have Dr. Reese with me from now until Nov. 25th. Don't miss this opportunity.  
 Examination free, that would cost you high by some specialist. Remember the date, until November 25th.  
**S. J. PEARSON.**  
 It is difficult to cure a cough or free yourself from the discomforts of a cold unless you move the bowels. Bee's Laxative Honey and Tar acts on the bowels and drives all cold out of the system. For Croup Whooping-Cough, Colds, and all Lung and Bronchial affections, no remedy is equal to the original Bee's Laxative Honey and Tar. A Liquid Cold Cure. Sold by Marlboro Drug Co.  
 Backache is never known to those persons who take an occasional dose of Peppercules. The value of the resin obtained from the Pine tree has long been recognized in the treatment of diseases of the bladder and kidneys. One dose of Peppercules will give relief, and one bottle will cure. Sold by Marlboro Drug Co.

**The Law Against Trespassing.**  
 The law against trespassing makes it a misdemeanor to go upon the lands of another to hunt, fish, trap, gather fruit, straw, cut timber or otherwise, without permission of the owner. Upon conviction for so doing, the offender trying the case shall impose a fine of twenty dollars or imprisonment at hard labor for thirty days for each and every offense.

 When a horse and mules are poor it is not always and indication that they do not get enough to eat. Many animals, just like human beings, have indigestion or the system is all run down and a tonic is needed. It is not the amount of food eaten that makes muscle and fat. More depends upon the proper and digestion or assimilation of the food than is commonly supposed. Nothing has yet been discovered that will build up a horse or mule better than Ashcraft's Condition Powders, the only remedy in its class sold under a guarantee.  W. F. GIBSON, Gibson, N. C.  
 I have been farming for 20 years, and have the best crop this year that I have ever made, especially where I used Peruvian Guano, and will buy it again if it can be bought. I would not take a bale of cotton per acre for my Peruvian crop.  
 Fontool, N. C., August 23, 1905.  
 D. S. Alduman.  
 This is the first season I ever used Peruvian Guano and its results are entirely satisfactory to me.  
 L. M. BLUE, Gibson, N. C., August 7, 1905.

 J. D. McDonald, Laurinburg, N. C., August 14, 1905.  
 I used Peruvian for corn and cotton and can recommend its use. Would rather have it at Forty (\$40) Dollars per Ton than anything on the market, and will use it again.  
 Sim P. Wright, Bennettsville, S. C., August 7, 1905.  
 I bought Ten (10) Tons Peruvian Guano from Mr. B. E. Moore last spring and was well pleased with it. I used it on corn as well as cotton, and consider it by far the best Fertilizer I have ever used.  
 Wagman, N. C., August 2, 1905.  
 I bought Twenty (20) Tons Peruvian Guano from B. E. Moore used it for corn and cotton, and am well pleased with it—consider it a fine guano. Will use it again the coming year.

 Mr. B. E. MOORE, Bennettsville, S. C.  
 Dear Sir—Have never used Peruvian Guano until this year and am highly pleased with it so far. Corn crop is fine with only 200 lbs Peruvian to the acre and as to Cotton crop. Think now will get 1 bale to the acre where I used 25 bushels Cotton seed and Two Hundred pounds Peruvian.  
 Yours truly,
