The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address **F. J. CHENEY & CO., Toledo, O.** Sold by all Druggists, 75c.

Take Hall's Family Pills for constipation.

Horses Do Get Sick.

When a horse and mules are poor it is not always and indication that they do not get enough to eat. Many animals, just like human beings, have indigestion or the system is all run down and a tonic is needed. It is not the amount of food eaten that makes muscle. More depends upon the proportion or assimilation of the food commonly supposed. Nothing has been discovered that will build a horse or mule better than Ash-ley's Condition Powders, the only medicine in its class sold under a guarantee. Ask Mr. Smith Newton, Bennettsville, for it—the kind put up in doses and McColl Drug Co., McColl, S. C.
