125 Bushels Of Corn TO The Aore

Williamson of Darlington, S. C. tution and DEMOCRAT one year was at the cotton convention in for only \$1,75. This is the cheap-New Orleans last week talking corn. He raises 125 bushels to est reading ever offered. the acre, and has been doing that tor ten years past. His method of cultivating is peculiar. He gives his corn but very little cul- tickets of one and one third fare as well as your House trimmingstivation but gives that cultivation to Columbia, S. C., and return, on at the right time. Our people work theirs into big stalks and small ears. Mr. Williamson works bration, February 5 7. They will his up into small stalks and big also sell tickets on certificate plan ears. He does not begin to plough of one and one third fare, plus 25 his field until the corn has reach cents, for the round trip to New ed a certain stage and he saves Orleans La; Mobile, Ala, and labor and makes a big crop. By Pensacola, Fla on occount of Marway of comparison, it might be di Gras, February 22 27. Reduced way of comparison, it might be di Gras, February 22 27. Reduced the genuine. These worthless imitations stated that the farmers around race round trip tickets will also have simular sounding names. Beware Mr. Williamson raise from 10 to be sold at rate of one and one of them. Some Good Advice.

GIRLS, you owe to your mother to be on the look-out for every oceasion to make whatever return you can for her years of sacrifice and planning for your happiness and well-being. Treat her with unvarying courtesy, deference, and seek her comfort and pleasure above all others, and never be impatient, for she has had great patience with you.
