There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly localizing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo Ohio.
 Sold by Druggist, 75c.

DO NOT BE IMPOSED UPON.
 Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered to the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Bennettsville Pharmacy.

EGGS FOR HATCHING.
 Eggs from pure bred Single Comb Brown Leg horns, Buff P. Rocks or Barred P. Rocks can be had at the Democrat office.

FOLEY'S HONEY AND TAR for children's coughs, cures. No opiates.
Horses Do Get Sick.
 When a horse and mules are poor it is not always and indication that they do not get enough to eat. Many animals, just like human beings, have indigestion or the system is all run down and a tonic is needed. It is not the amount of food eaten that makes muscle and fat. More depends upon the proper digestion or assimilation of the food than is commonly supposed. Nothing has yet been discovered that will build up a horse or mule better than Ashcraft's Condition Powders, the only remedy in its class sold under a guarantee. Ask Mr. Smith Newton, Bennettsville, for it—the kind put up in doses. And McColl Drug Co., McColl, S. C.

GROUP is quickly relieved, and Whooping Cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This Cough Syrup is different from all others because it acts on the bowels. You can not cure Croup and Whooping Cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all Coughs, Croup, Whooping Cough, etc. No opiates. Sold by Marlboro Drug Co.

THE BREATH OF LIFE.
 It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means power of great creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora A. Stephens, of Port Williams, Ohio, has learned how to do this. She writes "Three bottles of Dr. King's New Discovery cured my cough of two years and cured me of what my friends thought consumption. O, its grand for throat and lung troubles. Guaranteed by J. T. Douglas, druggist. Price 50c and \$1.00. Trial bottle free.
