He says: "I suffered with a terrible cough, and doctors gave me up to die of Consumption. I was reduced to 90 pounds, when I began taking Dr. King's New Discovery for Consumption, Coughs and Colds. Now, after taking 12 bottles, I have more than doubled in weight and am completely cured." Only sure Cough and Cold cure. Guaranteed by J. T. Douglas Druggist. 50c and \$1.00. Trial bottle free.

Guaranteed cure for torpid liver, kidney disease, biliousness, jaundice, chills and fever, general debility, nervousness and blood poisoning. Best tonic made. Price 50 cents at J. T. Douglas's Drug Store. Try it.

High Campaign Assessments

Candidates are sometimes disposed to think the campaign assessments charged in this county are a little high. Wonder what would they say if they had to pay those which have been assessed over in Dorchester county? Candidates for Treasurer and Auditor, \$40; Supervisor, \$30; Supt. of Education, \$30; Representatives, \$20; county commissioner \$20 and magistrates \$10—more than four times what is usually charged here.

Horses Do Get Sick.

When a horse and mules are poor it is not always a indication that they do not get enough to eat. Many animals, just like human beings, have indigestion or the system is all run down and a tonic is needed. It is not a amount of food eaten that makes muscle and fat. More depends upon the proper digestion or assimilation of the food than is commonly supposed. Nothing has yet been discovered that will build up a horse or mule better than Ashcraft's Condition Powders, the only remedy in its class sold under a guarantee. Ask Mr. Smith Newton, Bennettsville, for it—the kid put up in doses, and McCall Drug Co., McCall, S. C.

Fine Piece of Surgery.

Mr. George Rivers a few days ago had the misfortune to get his right hand caught in a saw and the thumb cut off. Dr. J. F. Kinney sewed it back on for him and put on some new salve and to day Mr. Rivers tells us the wound is healing nicely and the thumb will be saved to his hand. It was certainly a skillful piece of surgery.

Flowing Up The Roads.

Flowing up the public road is a violation of the law, and it is very annoying to those who have to drive or walk over it and push the wheelbarrow. The plowman of course is the only one to blame. The mail carriers think hard on when the patrons want him to be on time.

The New Bridge.

Owing to the heavy rains of the past week Mr. Coward has been unable to proceed with the work. The bridge from the Mills on creek above town have not only stopped the work but has also made the substitute bridge below unsafe for two or three days until something can be done. Those coming to town by the Cheraw road can't help but Spot bridge.
