BLIND FOLD TRIALS AGAINST other Pianos.

We, the undersigned, make Oalt that at the time of the last Fair of the American Institute held in New York, immediately following the French Exposition in Paris, two Pinnos, made by Stanway of Sons, one Pinno by Chickering of Sons, one Patent Arion Pinno, made by G. C. Manner, and several other maker's instruments were tried against each other, by order and under the control of the Officers of the Institute, to decide which Pinno on exhibition in competite to decide which Pinno on exhibition in compe under the control of the Officers of the Institute, to decide which Piano on exhibition in competition should receive the First Premium "as the titlon should receive the First Premium "as the lost Square Piano known." To obtain an impartial trul, taice all of said Pianos were covered with papers, so that one Piano could not be distinguished from another, (during the absence of the Judges,) and truce did they select one of said Pianos as the best, which, upon uncovering both truce, proved to be the said Palent ARION Piano, awarding it "the First Premium" "over all others for being the best Square Piano known to them."

This trul was ofter Chickering & Sops' Piano had received the Legion of Honor and Medal, and Seducay & Sons the Medal from Napoleon; and the Judges of said trial were:
