

It Cures Catarrh.

Any Sufferer from Catarrh, Deafness, Bronchitis, or Asthma, Can Test a Reliable Cure Without Cost.

This is a pleasant, safe, inexpensive remedy for Catarrh, Asthma, Deafness, Sore Throat, Catarrhal Headache, etc., that for twenty-five years has been working its way into American homes, becoming a household remedy for all diseases that originate in colds. The manner of its use is simple, practical and effective—the remedy goes direct to the disease—it reaches every affected spot, and its effect is soothing, healing, cleansing, antiseptic. It is a vegetable substance which is placed in an ordinary pipe and ignited, the fumes being inhaled into the mouth, lungs and nasal passages. The germs of the disease are devitalized and removed, the sores are cleansed, the mucous membranes healed, and the normal secretions restored. The effect is speedy and lasting.

Samples Mailed Free.

Send your address and you will receive by mail, absolutely free, a trial sample of Dr. Blosser's Catarrh Cure and you will be at no expense, should you not wish to use the remedy further. You will be convinced of its efficacy, however, when you use it and if you wish to give the remedy a more thorough immediate trial than a three days' sample will afford, send \$1.00 for one month's treatment, postage paid. Address, Dr. J. W. Blosser & Son, 150 Walton St. Atlanta, Ga.

TO PASTORS AND CHURCH SECRETARIES.

Your Attention, Please.

We are aiming to keep the roll books in perfect accord with your roll book at home. As some subscriptions are falling due in November, December and January next, please forward the money collected to Treasurer Eard, and send me a correct list of the names of the parties paying that I may make a proper entry upon the two roll books on file in this office. With your careful and cordial cooperation not only will every dollar be collected, but a faithful record can be kept in these books now on file and all subscribers be duly credited.

The terms of subscriptions are as follows:

All subscriptions under ten dollars shall be payable within twelve months after date; those of ten dollars in one and two years; those of fifteen dollars in one, two and three years; and all sums of twenty dollars and over shall be

payable one-fourth annually within four years. Subscriptions may be cashed at any time at a discount on deferred payments of six per cent per annum.

A good many subscribers are going to take advantage of the prosperous times and pay their subscriptions in full this fall. This would be helpful, not only to the cause, but also to both pastors and congregations.
