# what the Electropoise will do.

It will completely exterminate the germs of disease, and effect a permanent cure where drugs and stimulants are powerless. The following letter from a prominent clergyman will be of interest to sufferers;

AIKEN, S. C., Sept. 19, 1800. The Electropoise has worked wonders in my household. I introduced it to Mrs. Cubbert last March as a remedy for rheumatism, and since then the has laid aside stick and crutches and is able to attend to all of her household duties. Another member of itsy family by using it is better than she has ever been, and I myself find it an admirable ionic when tired out after three services on the Sabbath. Several parties have in vested in this instrument because of our experience and expression of opinion. Very gratefully, Rev. LUCIUS CUTHBERT.

Consultation and advice by mail, or in person, without charge. Atlantic Electropoise Co., ATLANTA, GA.
