Send us the news. We do Job printing. Send us your orders. The first of this week was remarkably cool. There was a good shower of rain in Conway last Friday evening. Read the new advertisement of A. W. Jenkins & Son, in this issue. A coat of new paint has added much to the front appearance of J. E. Nicholas' store. The young child of J. L. Boyd was very ill last week, but at last accounts was improving. The trains are making a little better schedule now that the rush of the trucking season is over. The net profits of the Toddville dispensary for the month of May, just past, were in round numbers, \$183.00. There will be another picnic at Punch Bowl landing on the Pee Dee in a few weeks. The day will be announced later. Shippers of beans are not realizing as good prices for their product this year as they expected, owing perhaps to the lateness of the crop. Conway Bargain House advertises a semi-annual clearance sale in this issue, and they print some prices that it will pay you to read over before making your purchases. Two cotton blooms were received at this office last Monday in a letter from William Jordan of the Galivants Ferry section. The letter did not state when they were picked. It is intended to run excursions every Friday evening from this point to Myrtle Beach during the Summer season. The train leaves about 6:30. A tract of land belonging to the estate of the late Mrs. Mary B. Beatty lying on the northern side of Crab Tree swamp, near Conway, has been purchased by Solomon T. Sessions. The county executive committee meets here on the 28th of this month and important business will come before the meeting. All precinct men are requested to be present. The large advertisement of Burroughs & Collins Co., appearing in this issue. They have branches in various parts of the county and you can call at the store nearest you. If you want to keep up with political news, subscribe to the Herald. People in the Loris section may call on our agent E. K. Skipper, who will take pleasure in entering their names for the paper. Sea Side Inn is rapidly filling up with guests, and has more visitors than it ever had before at this time of the season. Manager Tennille was over in the town on business last Saturday morning. At the last meeting, the county board granted a charter for a ferry on the Waccamaw River. An application is now pending for the grant of a charter at this Ferry on the Waccamaw. The State candidates will address the people at Conway on June 2nd. Those who have no opportunity this year are not required to make the canvass. A good turnout of the people is expected on that day. In this issue appears the announcement card of W. K. Holt as a candidate for the office of Sheriff of Horry County. Mr. Holt is well known to the people as a man with perfectly clean record, having made a race for sheriff before and coming out with a very handsome vote, and has the qualifications that would make him a good officer. The candidacy of G. F. Murrel for nomination to the office of sheriff of Horry County, is announced in this issue, by a number of his friends, who have been talking of running for some time. He served as sheriff at Conway several years ago in a very acceptable manner. It is urged to stand for re-election, and he has declined to do so. If he will fearlessly discharge his arduous duties of this important office, it will be for the benefit of the county. Another candidate who makes an announcement in this issue is J. E. Nicholas, of Florence for representative to Congress from the 6th district. He at present holds the position of State Senator from Florence county, and is an attorney who enjoys a large and growing practice. In the Legislature he has a record of which his native pride is justly proud, and by the stand he took in public sessions, he has shown himself the champion of the rights of the common people. His home county unambiguously endorses him for the position of representative to Congress from the 6th district.

Great, a negro, was arrested in Georgetown last week and held in charge of stealing a bicycle from the store of J. E. Nicholas here. The arrested man was taken to the jail to await his trial on a new act recently passed by the Legislature, stealing a bicycle is punished the same as a live stock.

Red With House-breaking. On the 2nd, some unknown persons entered the house of Mr. B. F. Johnson who lives near the seashore, therefrom about forty dollars. All the family and the house left locked money that was stolen had been taken from the pocket of a pair of trousers belonging to Mr. Verreen did not discover until some time after the money was finally found to rest upon a colored man named Sam Wilson, who was accordingly arrested here on Monday morning and lodged in jail under a warrant for the arrest of J. N. Jenrette, at the instance of Mr. H. D. Verreen, on Monday morning.

Excursion July 9th. The first white excursion of the season from this point to Georgetown will come off on July 9th, and will be run by Geo. L. Marsh and W. W. Russ. A big crowd is expected and they may be assured that good order will be maintained.

Clemson College Scholarships. All applicants for these scholarships will apply to the Superintendent of Education, who will give full information concerning the terms of the law and the conditions required for entrance to the college. The examination will be held early in July before the County Boards of Education. P. H. Mell, President.

Solicitor Files Pledge. Solicitor J. M. Johnson has filed the pledge and sent a check for the necessary cash to State Chairman Col. Willie Jones, as a candidate for nomination as solicitor of the 4th circuit. Mr. Johnson is always appointed chairman of the board in Columbia by his brother solicitors, during the session of the Legislature, and he has much to do in preparing and completing the acts. No opposition to his re-election has been heard of so far.

Hail Storm in Galivants. Another hail storm, very serious in the working of damage to the crops of the farmers, passed over a section of Galivants Ferry township and along the edge of Floyds last Friday. The stones were the size of guinea eggs and the crops of cotton and tobacco in the path of the storm, are some of them almost totally destroyed. J. Madison Floyds, Asa Gore, H. K. Cook, H. Grantham were reported as among those who were greatly damaged by the storm. The crops at Galivants Ferry also suffered greatly. There were others who sustained serious damage, but we were unable to obtain their names before going to town.

Schedule of Star Routes. Under the new contracts for carrying the mail over the star routes leading from Conway, several changes will go into effect when the new contracts begin on July 1st. The star route leading to Wampoe will leave Conway in the afternoons at 2:30, and will lead to Hampton, Jordanville and Gideon will leave in the afternoons at 3 o'clock, instead of at 6 o'clock in the mornings as heretofore. Under the new contract all of the star route carriers will leave at about the same time in the afternoon, and all will wait on the train until it is behind time. None of them will leave in the morning. Backsville and Dongola already leave here in the afternoon and there will be no change in the schedules of the carriers on these two routes.

A Sure Thing. It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre of Shepherdstown, W. Va., says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery cured me absolutely." It is infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It is infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It is guaranteed by Dr. E. Norton, Druggist. Trial bottles free. Regular size, 50c, \$1.00.

PARKER-VEREEN. The Social Event of the Season at Little River-A Beautiful June Wedding. At the residence of the bride's mother, Mrs. Florence C. Vereen at Little River, S. C., on the morning of the 8th inst., Mr. George F. Parker of Georgetown and Miss Pauline S. Vereen were united in marriage, the Rev. S. J. McConnell performing the ceremony, using the beautiful form of the Methodist church.

Relatives and friends from far and near well knowing the hospitality of that particular maternal roof, were not only willing but delighted to respond to the invitations received by them. Long before the appointed hour the guests began to arrive and there soon assembled a large crowd to witness one of the most important events in human destiny. Everything being in readiness promptly at 10 o'clock, the groom and bride elect, made their appearance, and walked before the waiting Clergyman, and a few words made them man and wife until death do them part. The chief actors realizing the solemnity of the occasion performed their parts well, making the scene very effective.

The charming bride was tastefully dressed in white organdy with gloves and slippers to match, the bridal veil trailing the floor. Profuse were the congratulations and best wishes for the happiness of the couple on their earthly pilgrimage. Immediately after the ceremony cake and ice cream were served and enjoyed. This was simply intended to appease the guests until the more substantial of dinner. The guests were then allowed to enjoy and pass the intervening two hours as they saw fit.

At 12, dinner was announced, and all were summoned to the table. It is true that a good dinner was expected and the guests were not the least disappointed. The table fairly glistened under the weight of good things that were calculated to supply the inner man, and there was food for every appetite, and to tempt the most fastidious. By the time the appetites of all were satisfied, the hour arrived for Mr. and Mrs. Parker to depart for their home in Georgetown. They expect to take in Southport, Wilmington and other places on their return.

Mr. Scarborough Not a Candidate. To the People of Horry County: Having decided not to enter the race for Congress, I take this method of expressing my thanks to my constituents, both here and throughout the District, for their loyalty to me in my political ambition in the past. Movements looking to the development of Horry County have been under way for some time and I am needed in that work. It would be a physical impossibility for me to attend to my duties here and at the same time make a three months campaign for re-election. I have no doubt but what I could win the race by a larger majority than I received before, but to continue in politics would divorce me more and more from the business interests of the county,—so I have decided to devote my time and energy to the development of this section, believing that there is a great future before it. ROBT. B. SCARBOROUGH.
