#### Public is Aroused

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair Ave., Columbus, O., writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at Norton Drug Co. price 50 cents.

#### Always Liberal to Churches.

Every church will be given a liberal quantity of L. & M. paint. Call for it. 4 gallons Longman & Martinez L. & M. Paint mixed with three gallons linseed oil will paint a house. W. B. Barr, Charleston, W. Va. writes: "Painted Frankenburg block with L. & M. stands out as though varnished." Wears and covers like gold. Don't pay \$1.50 a gallon for linseed oil, which you do in ready-for-use paint. Buy oil fresh from the barrel at 60 cents per gallon and mix it with L. & M. It makes paint cost about \$1.20 per gallon. Sold by Burroughs & Collins Co. Conway, S. C.

#### Brooksville.

The health of the community is good. Fodder pulling is the order of the day. Mr. W. J. Stanley intends to build a fine dwelling at Brooksville. Mr. J. B. Stanley of the firm of W. J. Stanley and Son is on his way to Baltimore to purchase a large stock of goods for fall trade. C. H. Platt has nearly completed the addition to their store. Mrs. Ellen Thomas has cotton about ready to pick. Mr. J. B. Stanley, Miss Florrie Thomas, Joe Bellamy, R. C. Stanley all attended church in North Carolina last Sunday. Mr. Melvin Edge of Hand, S. C. was a pleasant caller at W. J. Stanley's. Mr. Belle Gore of Wampee visited in this section last Sunday. Mr. Lush Gore of Pireway, N. C. made a call at W. J. Stanley's last week. Miss Lizzie Stanley spent one day last week at Brooksville. The Herald is a pleasant visitor at this place every Thursday evening. L.

#### Peculiar Disappearance.

J. D. Runyan, of Butlerville, O., laid the peculiar disappearance on his painful symptoms, of indigestion and biliousness, to Dr. Kings New Life Pills. He says: "They are a perfect remedy, for dizziness, sour stomach, headache, constipation, etc." Guaranteed at Norton Drug Co. price 25c.

#### Report Denied.

Editor Herald—I desire to say through the columns of your paper that the report started in the Maple section that I was put off the excursion train last Saturday night at Loris or some other place, is absolutely false, as I did not go on the excursion at all, and neither did my wife. Willie E. Hardee.

It will wash and not rub off. This complexion all envy me. It's no secret so I'll tell. Take thou Rocky Mountain Tea at Norton Drug Co.

#### To Draw Jury.

Messrs. W. L. Mishoe, J. A. Lewis, and J. A. McDermott, the jury commissioners of the county, will meet at the office of the Clerk of Court of Common Pleas at 10 o'clock on August 23rd, for the purpose of drawing the jurymen for the term of the circuit court which will convene here on September 11th.

#### Chain gang Notice.

Magistrates will take notice that they may commit prisoners to chain gang direct which is now stationed at Sanby Bluff. J. L. Boyd, Supervisor

Dear Gus:—I have solved the mother-in-law problem, just give her regularly Hollister's Rocky Mountain Tea. It will make her healthy, happy and docile as a lamb. 35 cents, Tea or tablets at Norton Drug Co.

The mother of Mrs. Lee at Myrtle Beach, who is said to be very feeble from old age, was taken to Charleston a few days ago in a special car.

#### Clipped from our Exchanges.

The Greensboro Record reports that the people up that way are making liquor out of tomatoes. It says this liquor will "make drunk come" and it takes mighty little to do so. If this be true look out for a big tomato crop next year. The Columbia State has certainly made out a strong case against the Spartanburg Journal. There is nothing that will make a case stronger than the deadly parallel. The Journal is convicted by its own statements. Journalism in South Carolina should be kept above such practices.

W. McG. Buck, cashier of the Bank of Mullins, is back home again after a long stay in the north; where he went for treatment. Mr. Buck's physical condition is much benefited by the trip. His many friends were quite anxious about him during his treatment at the hospital.

"Let Tillman come and try the McLaurin act. He will be treated the same way," writes the Hon. Ed Archer, and we seem to see him spit on his hands as he writes it.

#### Fiendish Suffering

is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Bedell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve, for Ulcers, Sores and Cancers. It is the best healing dressing I ever found." Soothes and heals cuts, burns and scalds. 25c at Norton Drug Co., guaranteed

Perfumes  
of  
Worth

A good perfume is not necessarily an odor that may please when smelled from the original bottle. It must be one in which the elements are so blended that the odor will maintain all its fresh and original qualities when in use. Such odors are not easy to find. We have to exercise care in choosing them and we think this care has provided an assortment of odors which you will go far to match. We carry the most worthy of domestic and imported goods and the prices are very reasonable throughout.
