

FIRM FOUNDATION

Nothing Can Undermine It
in Conway.

People are sometimes slow to recognize true merit, and they cannot be blamed, for so many have been humbugged in the past. The experience of hundreds of Conway residents, expressed publicly through newspapers and other sources, places Doan's Kidney Pills on a firm foundation here.

Mrs. R. H. Anderson, Conway, S. C., says: "My back ached a great deal and I had pains in my loins. My kidneys were weak and I was also subject to headaches and other symptoms of kidney complaint. After using Doan's Kidney Pills, which I got from the Norton Drug Co., the aches and pains left me and my kidneys became normal. I have since been able to rest much better at night and I have improved in every way. I gladly confirm my former endorsement of Doan's Kidney Pills. You may continue to publish all I ever said about them."

Mrs. Anderson is only one of many Conway people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Anderson had the remedy backed by home testimony. 50c all stores. Are the original fish fertilizers

Fertilizer ammoniated with Fish-Scrap is universally admitted to be the plant food best suited to the cotton crop.

This is not a theory, but a fact proven by the experience of many. The popularity of Royster's, the original and genuine fish-scrap fertilizer has caused a host of brands to appear with fish in the name: if you want to be sure of getting fish in the goods as well, be sure to buy the brand that made fish-scrap famous; F.
