THURSDAY, FEB. 10th, 1916.

Truth is something which will come to light sooner or later.

Information is only another word for knowledge.

The man who will beat you is the man who will do it the day before.

The best way to rest the mind is to shift it from one thing to another.

Investigation is a great force because it leads to knowledge and knowledge is power.

If men only knew as much as they think they know this world would be an ideal existence.

Next to the man who is absolutely and hopelessly ignorant is the man who boasts that he knows it all.

Just a little thinking would have saved many a situation that went to the bad.

The refuge of the hopeless fool to our way of thinking is the man who says: "Well what is to be will be."

It is a bad state of affairs in any family when the young ones control the older folks.

How about supplies on the farm this year, Mr. Farmer? It is of the greatest importance that you plan for them.

Some men have the ability to listen at advice and never indicate whether they intend to take it or not. This is the best plan.

One of the meanest men in the world is the one who will come round after misfortune and say: "I told you so."

The mania for spending it seems to us does as much damage to the general welfare of a family as anything else.

The greatest business of woman is to inspire man to do his best. Whether she has any influence in that direction or not depends entirely upon herself.

Raise plenty of supplies for home use, and then put in all of the cotton or other money crop that you think you can stand without slighting the food crops.

One solicitor of this State once remarked to a criminal in the dock that he would be punished not for taking the goods but for being caught with them.

May the time come when the farmers of Horry County will be able to spend this year what they made last year. Most of them at the present time spend the worth of their crops before those crops are cultivated.

Again we wish to call your attention to the fact that we are still in a better position to render the very best service in the fitting of Eye Glasses with all the modern improvements in optical machinery and science, besides we are permanently located and you can always find us at our place of business.

We keep a complete stock of Lens mostly used and can fit you in short notice. Now in some cases where the individual has Astigmatism it will be necessary to order the Lens ground but this will only require 3 or 4 days at the least.

LAME EVERY MORNING

A Bad Back is Generally Worse in the Morning. Conway People are Finding Relief.

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

You can't get rid of kidney backache, until you reach the cause—the kidneys. Doan's Kidney Pills are especially prepared for weakened or disordered kidneys—have been gratefully recommended by thousands.

Testimony of Conway people proves the merit of Doan's.

E. L. Moore, wood worker, N. Main St., Conway, says: "My kidneys were out of order. I had soreness in my back and was lame and stiff in the morning. I also had other signs of kidney trouble. I used Doan's Kidney Pills as directed, procuring them at the Conway Drug Co., and they relieved me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Moore had. Foster-Milburn Co., Props., Buffalo, N. Y.—adv.

Tuition Bill Amended.

Columbia.—The Verner bill to abolish all scholarships and free tuition privileges at State institutions was killed in the Senate on second reading when the Padgett amendment, offered in substitution, was adopted by a vote of 30 to 10.

The Liles bill to impose a chaining sentence for violation of prohibition law was taken up soon after noon.

Last Monday was legal salesday at the court house.

LANGSTON FAMILY RETURNING HOME

The Rev. LaRue Langston, who left here last year as a missionary to Brazil, accompanied by his wife, who was Miss Marjorie Quattlebaum, of Conway, is now on his way back home with his wife according to advices received here a few days ago.

Tax paying has been as slow as usual this year but perhaps no worse than in former years.

SPLENDID LAXATIVE FOR ELDERLY PEOPLE

Has Been Prescribed by Well Known Physician For Many Years.

MRS. RACHEL ALLEN.

The infirmities of age are especially manifest in a tendency to constipation, and call for treatment that will afford relief in an easy, natural manner.

Nearly thirty years ago Dr. W. B. Caldwell, Monticello, Ill., prescribed a compound of simple laxative herbs that has since become the standard household remedy in thousands of homes.

Keep it in the house always. Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. It is a splendid remedy and should be in every home.
