TOBACCO GROWERS:

We wish to announce that the Mullins tobacco market will open August 1st, 1916. We predict and it is the general opinion of the tobacco trade that tobacco will sell well this season. There will be more buyers on our market this year than ever before in the history of the Mullins market.

With the enormous amount of money invested in stemmeries and prize houses in Mullins it will be a difficult matter to secure room sufficient to accommodate the large number of buyers who will be located on the Mullins market.

Our warehouse is now open and ready to receive tobacco at any time. We will make liberal advances on or buy any tobacco brought to us. We wish to say that we are so very busy looking after the details of our business getting ready for the opening of the market we will not be able to visit you at your homes or make a house to house canvass as we have long since learned that the progressive tobacco growers are doing their own thinking. Effective tobacco drumming is a thing of the past at this progre

Real merit and experience is the only thing that spells success in the selling of your tobacco. The warehouse man who is a snap shot judge of tobacco is the only one who can add dollars to the sellers pocket. We are standing by our old motto, that is to do our drumming on our warehouse floor for it is an undisputed fact that a satisfied customer is a walking advertisement for the warehouse man who sells his tobacco. When ready to sell your tobacco come to see us and have the satisfaction of knowing that you are selling your tobacco with one of the strongest firms on the strongest market in South Carolina.

From Galivants Ferry.

Crops in this section are in bad shape since the high wind of last Friday swept over the fields, leaving corn, cotton, tobacco, etc., leaning to the ground and in many cases broken.

The infant child of Mr. and Mrs. Ed. Huggins died last Friday night near this place. This child had been sick for several weeks. The bereaved parents have the sympathy of a host of friends.

The recent heavy rains have the river here on the swell again, and the roads in many places are almost impassable.

Mr and Mrs W. R. Barrett, and Mr and Mrs. J. A. Holdren with Mr. and Mrs. C. B. Ham, all of Florence, and travelling in one Studebaker and one Cadillac, came over here on the 10th, and passed what seemed to be a real pleasant outing here in the pine grove and enjoyed quite a number of sports, as well as a good bunch or more of

the Pee Dee fish. The party left for Florence on the 13th. Mr. Barrett and Mr. Holdren are both A. C. L. engineers and Mr. Ham is a thriving merchant of Florence. Come again our new friends, and always realize your welcome at the Ferry.

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong. No alcohol.

WORK THAT TELLS

Plenty of it Has Been Done Right Here in Conway.

To thoroughly know the virtues of a medicine you must investigate its work. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Conway. People who testified years ago to relief from backache, kidney and urinary disorders, now give confirmed testimony—declare the results have lasted. How can any Conway sufferer longer doubt the evidence?

Mrs. Dora Burroughs, Burroughs St., Conway, says: "I was subject to dull, nagging backaches, pains across my kidneys and other symptoms of kidney complaint. I got Doan's Kidney Pills at the Norton Drug Co., and used them as directed. They relieved me of the backache, corrected the action of my kidneys and benefitted me generally." (Statement given January 5, 1910.)

OVER FOUR YEARS LATER, Mrs Burroughs said: "I have had no occasion to use Doans Kidney Pills for some time, as the cure they gave me has been lasting." Price 50c, at all dealers. Don't
