

TIME FOR MAKING INCOME RETURNS

The Collector of Internal Revenue is in receipt of a telegram calling attention to Treasury Decision just signed number 2883 which grants extension of time to August the 15th for filing returns, to partnerships and personal service corporations having a fiscal year ended on January 31st, February 28th, March 31st, or April 30th, 1919.

The Collector states that a large number of corporations had as yet failed to file returns for the year 1918. There seems to be some confusion in the minds of partnerships relative to the filing of returns for 1918. The 1917 Law did not require partnerships to file returns, where the net income accruing to the partnership was less than \$6,000. The Act of February 1919 requires all partnerships regardless of the amount of net income, to file returns for the year 1918 and such partnerships having failed to file such returns should do so promptly, attaching affidavits as to the delinquency, and the reason for such delay.

CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury! Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work and play. It's harmless, pleasant and safe to give to children; they like it—adv.

A FAMILY MEDICINE

In Her Mother's Home, Says This Georgia Lady, Regarding Black-Draught, Relief From Headache, Malaria, Chills, Etc.

Ringgold, Ga.—Mrs. Chas. Gaston, of this place, writes: "I am a user of Theford's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria, and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theford's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit.

If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result.

Theford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theford's, the original and genuine. E 79

GIRLS! LEMON JUICE IS SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whiteners and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.—adv—(1.)

No Worms in a Healthy Child All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle

IN LOVING REMEMBRANCE. On June 9th, 1919, death claimed for its own William Asa Gause. He was eighty-two years old. He leaves a wife, two brothers, and a host of sorrowing relatives and friends to mourn their loss, but while we mourn we feel sure it is his eternal gain. Oh, it was so hard to part from him. But the Lord knew he had suffered in the cold world long enough and took him to the fair fields of Eden, where parting will be no more. We are confident that he is reaping his good reward for just before the end came he said he was ready and willing to meet his savior, and may each and every one of us live such a life as Uncle Asa so when the end comes we can lean our heads on Jesus' breast and breathe our lives out sweetly there. He joined the Baptist church early in life and lived a faithful member until his death.

We will meet our friends and loved ones At our Father's snow white throne, Where sickness, pain and sorrow And sad partings never come.

We will meet our blessed Savior In that land of endless light, We will sing and shout forever In those mansions fair and bright.

Resting in the arms of Jesus, Free from all life's toil and care; Nothing then can ever turn me, Oh, how sweet it will be there.

Resting in the arms of Jesus, He is my friend, my all and all; I with joy will gladly follow, Where so ever his voice may call.

Resting in the arms of Jesus, When our labors all are o'er; Resting in the arms of Jesus, Safe with him for ever more.

Yes, dear Uncle we will meet you, And sing together there on high; But the happiest of this meeting, Is, we will never say good bye.
