Neuralgia ATTACKS THE EYES Makes THE LIGHT Unbearable. PERMANENTLY CURED BY USING Ayer's Pills

"My husband was subject to severe attacks of neuralgia which caused him great pain and suffering. The pains were principally about his eyes, and he often had to remain in a darkened room, not being able to stand the light. Ayer's Pills being recommended, he tried them, using one before each meal. They very soon afforded relief, followed by permanent cure. I am a strong believer in the efficacy of Ayer's Pills, and would not be without them for ten times their cost."—Mrs. M. E. DEBAC, Liberty, Tex.

"I have used Ayer's Pills in my family for forty years, and regard them as the very best."—Uncle MARTIN HANCOCK, Lake City, Fla.

While the Doctors are Doubting.

Scientists have discovered the germs of many diseases but unfortunately not as yet the means of the destruction of these germs. At present the "culture" and not the destruction of the deadly bacteria seems to absorb their attention.

However they all agree that a well nourished body and plenty of ozone are decidedly unfavorable to their development. While the doctors are in this State of uncertainty; and even longer, would it not be well for the patient to have recourse to the well-tried Compound Oxogem, which is both germicide and vitalizer? During the last twenty-three years it has cured cases pronounced incurable and this statement substantiated by those who have tried it. It has witnessed the failure of "lymph" and life elixir.

Investigate the matter for yourself. Send for our book 200 pages. It will tell you about the remedy and furnish you with many testimonials and records of surprising cures. Book sent free, Drs. Starkey and Palen, 1529, Arch St Philadelphia, Pa. New York, San Francisco, Cal, Toronto, Canada.
