CRISIS REACHED IN MEDIATION

NEXT QUESTION LIKELY TO INFLUENCE DECISION OF AMERICAN GOV'T

HUERTA IS SILENT

American Commissioners Hopeful That Carranza's Constitution- alists May Get In

(By Associated Press.)

Niagara Falls, Ont., May 30.—A crisis in the progress of the mediation proceedings was reached tonight. While awaiting answers from the Huerta government and the United States to the tentative plan for a new provisional government in Mexico the question of admitting constitutionalists to conferences before an agreement or protocol is signed, loomed up as likely to influence the decision of the American government on the plans already outlined.

The mediators late today called in the Mexican delegates to learn if General Huerta had approved the main points of the peace plan. The Mexicans said they had received no reply but they telegraphed again, urging a quick response. The American delegates reported that Washington had not acted on the plan.

The South American diplomats did not broach the subject of constitutionalist representation to the Mexicans or show them the note delivered here yesterday by Joan Uruidi, a messenger of Carranza.

The mediators however, let it be known that they would answer the note. They pointed out that they had found nothing in the note which could be interpreted as a desire to participate in the conferences on the subject of pacifying Mexico.

They hold that General Carranza has not indicated a desire to take up internal questions. On the other hand it is said that the Washington government agrees with General Carranza. Withdrawal of the invitation to him to send delegates and the failure of the mediators to answer an inquiry as to what points would be treated in the negotiations left General Carranza in the position of not having anything on which he could act.

Mr. Uruidi talked with Mr. Lehmann early in the day. The American commissioners say they have not even shown the Carranza note but they are hopeful that a way may be found to bring constitutionalists tonight with the mediators. Intimations have come here that the United States does not wish to run the risk of strained relations with the constitutionalists, who would be certain to resent any radical adjustment of internal affairs. It is because of this situation that the Americans desire that the constitutionalists be brought into the mediation. The impression prevails that final answer of the United States on the essential of the peace plan will not be given until there is definite understanding on this point.

Th Huerta delegates have left the matter of constitutionalist representation entirely to the mediators. Unless the American government assumes an insistent attitude on constitutionalist representation, details of the agreement between the United States and the Huerta government will be worked out in a few days. Otherwise the mediation board will probably sit for several weeks longer.

Washington, May 30.—Every indication in Washington tonight pointed to prolongation of Mexican mediation negotiations at Niagara Falls. It is known that the Washington government desires the Mexican Constitutionalists represented in the proceedings tending for peace. The view of the administration is said to be that terms of peace for Mexico, which will not be permanent peace, are useless.

Administration leaders cognizant of the view tonight reiterated confidence that the mediation conference would not adjourn until the pathway to an adjustment of the whole Mexican problem had been reached. After the mediators today had accepted the message from General Carranza, chief of the Constitutionalists, carried to Niagara Falls by Juan Uruidi, it was reported that the Huerta delegates had decided they would now abide by any decision the mediators might make as to receiving Carranza delegates into the conference. This with the fact that the Washington government was eager that the constitutionalists be represented, was taken to indicate there might be a broadening of the scope of the conference before the signing of any protocol which would lead to the provisional government for Mexico in substitution for the Huerta regime.

Constitutionalists representatives in Washington asserted that nothing had come from General Carranza since the delivery of his message to the mediators. They however, insisted, that any plan for provisional government which did not recognize the status of their forces would not be acceptable, and further maintained that Constitutionalists participation in the mediation would not be undertaken on condition of an armistice in the military movement against Huerta. At the navy department today the arrival of the German steamship Ypiranga at Vera Cruz after the reported discharge of her cargo of arms for Huerta was noted. The conference between the American delegate and the mediators did not end until nearly midnight. At its close Justice Lamar said: "No conclusions were reached; we

will resume our conference Monday morning." It was understood the American delegates laid before the mediators their views on Constitutionalists representation in the mediation.

Take Plenty of Time to Eat

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by Evans Pharmacy.

SPEED RECORDS ALL WERE BROKEN

Rene Thomas Covered the 500 Mile Course in Six Hours, Setting New Mark

(By Associated Press.)

Indianapolis, May 30.—Rene Thomas, driving a French car, won the fourth annual 500 mile race on the Indianapolis motor speedway today. All speedway records from five to five hundred miles were broken. The first American to finish was Barney Oldfield, in sixth place.

Thomas' time was six hours, three minutes and 45 and 99-100 seconds. The winner maintained an average of 82.47 miles an hour. The former record of six hours, twenty-one minutes and 3-100 seconds was established by Joe Dawson in 1912.

Arthur Durray finished second, seven minutes after the winner. Albert Guyot, team mate of Thomas, was the third, and Jules Goux, winner of the 1913 race, finished fourth, six minutes ahead of Oldfield.

Six men were injured, some seriously. Joe Dawson suffered a broken collar bone and minor injuries when his car turned over after trying to dodge the wrecked machine of Ray Gilhooly.

Vere Barnes, Dawson's mechanic, was hurt and Gilhooly and Nino Zonani, his mechanic, also suffered minor injuries. Jean Chassagne and Albert Mitchell, handling an English car, limped away from their machine after it rolled over on a turn.

Thomas won the first prize of \$20,000 and the accessory prizes and trophies will swell this amount to about same as that which was carried to victory by Goux last year. Josef Christiaens, in a Belgian car, finished sixth, Harry Gran, in an English machine, seventh. Keene and Rodgers in an American car, placed eighth and William Carlson was ninth.

(From Sunday's Daily.)

Anderson man was signally honored yesterday when Henry K. Osborne of Spartanburg, grand chancellor of the Knights of Pythias for South Carolina, named James H. Craig of this city as deputy grand chancellor for the ninth district. This is a very high honor and it will be appreciated by Mr. Craig and his friends.

Mr. Craig is one of the best posted men on Pythianism in the State and was very active in the State association, which met during the early part of the week at Chester. It was at this meeting that Mr. Osborne was elevated to the position of Grand Chancellor.

COMB SAGE TEA IN HAIR TO DARKEN

Grandma kept her locks dark, glossy, thick with a mixture of Sage Tea and Sulphur. The old time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandma's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage. Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can disagree it has been a long time. Simply moisten your comb or a wet brush with it and draw this through your hair, taking one small strand at a time and by morning the gray hair disappears but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair, it also keeps the scalp cool and healthy, dandruff, itching scalp and falling hair. DUE WEST SCHOOL CLOSES SESSION

Many Anderson People Will Attend Commencement Exercises This Week

Due West, May 29.—All the friends and well wishers of the educational institutions at Due West are looking forward to the approaching commencement as by far the greatest and best in the history of the colleges. As a kind of prelude to these exercises and what may fairly be called a part of them were the graduating recital of Miss Elizabeth Staley on Tuesday evening, May 19, that of Misses Mary Stevenson and Rachael Boyce on Saturday evening, May 23, and of Misses May Phillips and Gladys Wilson Tuesday evening, May 26. Commencement proper opens on Saturday evening, May 30, and extends through the following Wednesday, June 3. These dates include the commencement exercises of all three institutions located in the town of Due West, and they came in the order named: That of the Erskine seminary, followed by the commencement of Erskine college and of the Woman's college.

The graduating exercises of the seminary will be held in the A. R. P. church on the evening of May 30. These exercises consist of these from the different students of the graduating class, an address by the president of the seminary, the Rev. F. Y. Pressley, D. D., and delivery of certificates to the members of the graduating class. May 31, at 11 o'clock, the baccalaureate sermon will be preached by the graduating classes of Erskine and the Women's college by the Rev. David James Burrell, D. D., pastor of the Marble Collegiate church, New York City. At 8 p. m. Dr. Burrell will preach the annual sermon before the students of the seminary.

Joint Celebration. On Monday evening, June 1, at 8 o'clock, the regular joint celebration of the literary societies will be held, in which all three societies will take part. At this meeting two cups will be awarded: the Darlington debaters' cup and the Roddey scholarship cup. The Euphemia and the Philomathean societies will debate for the Darlington cup. Society spirit and interest always run high in this contest, but this will be especially true this year, as it is the third year the trophy has been given, each society having won one year. At commencement 1912 it was awarded to the Euphemia society and last year to the Philomathean. The participants in this contest: P. E. Bryson, '14, and C. T. Stewart, '15, representing the Euphemia society, and W. W. Parkinson, '14, and R. T. Nelson, '15, representing the Philomathean society, are putting forth their very best efforts in preparation for the contest.

All three societies are eligible to the Roddey scholarship cup. This is a cup given by Capt. W. R. Roddey of Rock Hill, and as its name implies is given to the society making the highest general average in scholarship during the year. It was awarded for the first time last year and was at that time given to the Callopiean society. The general averages for this year in the societies are running close, and at present it would be together conjecture to say which society will win this cup. A lot of interest is being shown in this contest also, and especially in this true on the part of the Callopiean society. In the event the Callopiean win again this year J. J. Derflagan, LL. D. of Washington has promised them \$1,000 toward the erection of a new society hall on the campus.

Another feature of interest in the programme of the evening will be the delivering of society diplomas to the members of the graduating class. For quite a number of years it has been the custom of both the Euphemia and the Philomathean societies to place in the hands of all members who graduate from college diplomas from their respective societies, and for the last few years this has been true of the Callopiean society also. Part of the object of this joint celebration is to carry out the custom, and true to the custom the president of each of the societies will place in the hands of its graduates a "sheepskin" in recognition of the faithful performances of society duties.

THE PENSION QUESTION.

Un-Advised Opposition to Placing the Confederate Soldiers on the Government Roll. At the great reunion in Florida in May, 1914 some kindhearted veteran offered a resolution to request the Congress of the United States to allow the Confederate soldiers to be placed on the pension roll with those of the Union Army of the War of 1861-65. No sooner introduced than some "Smart Aleck" bounced up and opposed it. This was done, of course, on the ground that the Southern soldiers were more patriotic to the "Lost Cause" than to be willing to accept pension from the United States. DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat. When your kidneys hurt and your back feels sore, don't get excited and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean by flushing them with a mild, harmless salts which removes the body's urinous wastes and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, has been used for generations to clean and stimulate the clogged kidneys; also neutralizes the acids in urine so it no longer is a source of irritation thus ending bladder weakness. Jad Salts is (inconspicuous) cannot injure; makes a delightful after-dinner lithia water drink which everyone can take. Keeps your kidneys clean and active. Try this, also keep up the water drinking and you don't you will wonder what became of your kidney trouble and headache. Evans Pharmacy, agents.

Telephone to Glazier

"I WISH you would get a glazier to come up and set that pane of glass the children broke yesterday. The house is as cold as a barn," said the suburban housewife, as her husband was about to go to business. "Haven't time this morning," replied her husband. "Just look in the Telephone Directory—you'll find several there. Give the order to the one who says he will send a man right up." "It's the man with the telephone who gets the hurry orders every time."

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

When you telephone—smile. Streets of Ashkelon." If these opposers did not need a pension, how many thousands are there that do need it? How many thousands have lost arms, eyes, legs and otherwise bear in their bodies the mark of honor, made by the enemy's gun? Those Confederate soldiers who opposed the resolution surely did not consider how unjust it is to deprive those who need the pension, from getting it. Let us see how this thing is.

TABLES TURNED ON GLUCK MILL

Y. M. C. A. Boys Captured Fast and Snappy Game at Kenna Vista By Score of 3 to 2

Decidedly the best game of baseball played this season at Kenna Vista was seen yesterday afternoon when the Anderson Y. M. C. A. team won from Gluck Mills by a score of 3 to 2. The game was not marked by any spectacular playing nor was there any special feature, but both teams played jump-up ball from the time that the umpire called play until the last man was out in the ninth. Both teams were evenly matched and inside after leading through by yesterday with the result of the game still in doubt. Splendid fielding was done by both teams and the score shows that hits were few and far between. This was the second game played between these two teams, Gluck having won the first contest. It is probable that arrangements will be perfected for playing off the rub next Saturday day. The Knocker. After God had finished making the rattleman, she said, "I don't rattle, rattle, rattle, the tone and the rattle."
