Don't forget the meeting of the Bible Society on the last Wednesday of this month, the 29th inst.

There were a few puny, sickly, water-melons exposed for sale on the streets on Saturday.

Adults are subject to worms as well as children; therefore how important it is that the system should be cleansed of these vile pests. Chirner's Indian Vermifuge will do it effectually.

"Messenger" the fine trotter owned by the Ellis's of Hodges, was sold at public outcry on last Friday. A two-third's interest in him was bought by A. J. Salinas & Sons for \$375.

Lawn Tennis is becoming quite popular with some of the young people of town. The club has a beautiful ground in front of Mr. Robert H. Wardlaw's and play every evening.

There was a party of the young folks of town who picked up at Little Mountain on last Friday. This mountain is becoming quite a favorite resort for many of our people during the summer.

It is universally conceded that the season this year has been more favorable for the farmers than they have been for a number of years. If they continue a month longer we may expect a full crop this fall.

Messrs. Cothran & Perrin still have on hand some of their celebrated Fruit Preserving Liquid and Powder. You had better call early and secure some of it. They guarantee it to preserve fruit to preserve fruit and vegetables.

Budweiser beer a specialty at Thom-McGettigan's.

A match game of base ball will be played this evening at five o'clock between the Abbeville and Ninety-Six Clubs. The game will be played on the grounds of the Abbeville Club, near the residence of Mr. Graydon. The public and the ladies, especially, are invited to attend.

Rev. Mr. Chisolm preached a series of very interesting sermons, in the Presbyterian Church, last week. We understand the congregation are very much pleased with him, and are anxious for him to accept a call to this church. Mr. Chisolm is accompanied in Abbeville by his wife. They left on Monday.

July 15 2t

We learn that the stock show to be held at Ninety-Six on August 13th, bids fair to be quite a success, and it will be well worth the time of every farmer to attend this exhibition of stock and see what a variety of registered and graded stock can be collected together at this place. We wish the movers of this enterprise will meet with their most sanguine expectations.

DUE WEST DOTS.

The young men, greatly to their credit, are keeping up the weekly prayer-meetings. They held a very good meeting last Sabbath evening.

Rev. Griffith preached a very interesting sermon in the Baptist Church last Sabbath evening. The occasion was especially for raising money for domestic missions.

We omitted to mention, last week, the interesting missionary meeting held the previous Thursday. President-elect, Hood, took his seat and made an interesting address. The business of the meeting was principally arranging the finances to meet the appointment. On this subject Rev. W. L. Pressley, Dr. Grier and President Hood made remarks.

In a little jaunt through the country, the other day, we particularly admired the fine crop of Mr. Joe Nance, near town. Mr. Nance is an energetic, sober, hardworking young man, and the fruit of his labor is very evident on his fields. We saw no grass, but plenty of fine corn and cotton. Mr. Nance is about the hardest working young man we know of and made more cotton bales to the acre last year, than any man in Abbeville County.

Miss Mamie McCaughrin and four of Capt. McCaughrin's children returned to Newberry last week.

Miss Rebecca Agnew and Miss Lula Brownlee are visiting their relatives in North Carolina, and will be gone a couple of weeks.

Miss Mattie A. Gillespie visited Anderson for a few days last week and helped to cheer for the Duo West boys on their match games.

At a collection for domestic and foreign missions, last Sabbath, the A. R. people took up \$89.20. Pretty good.

Mr. Sam Gilino, of Brady, is putting the finishing touches with the brush on Mr. Pruitt's new house.

stated a delegation sent up by Abbeville in the interest of the movement to organize a bank at that place. By arrangement a little meeting of our citizens was held and the advantage, necessity and desirability of a bank in Abbeville County was presented to the meeting by Mr. L. W. White. Remarks were also made by other members of the delegation and a free conference ensued.

A subscription paper was left in the hands of Prof. Young. Abbeville has already subscribed about \$30,000 and will raise \$35,000. The financial committee of Erskine College has been called to meet on Tuesday by the chairman, to consider the advisability of putting college funds into the bank. Abbeville County needs a bank and should have one. There is a fine vault already built in the village and this necessity will be obviated. Let us have a bank by all means.

Troy Dots.

The phantom party, at the residence of Mr. J. T. Solomon, on last Thursday evening, in honor of Miss Mamie Stulla of Sumter, S. C., was a grand success. At 8 o'clock we saw ghostly images wending their way to the scene of amusement. And upon arrival they were ushered into a long room where they were comfortably seated to await further orders. Very soon they were invited to take their partners (if they could manage to get one) and repair to the commodious hall, and take their places for a dance. The Troy string band furnished excellent music for the occasion. After a short dance the unmasking took place which was enjoyed by every one present. And then came delicious ice cream and cake, which was served in the most exquisite style and would have done justice to the most fastidious. They again repaired to the hall and engaged in "tripping the light fantastic" until the hour for our departure arrived, when every one turned their faces homeward and were soon "safe in the arms of Morpheus." And we beg to extend to the host and hostess our many thanks for their kind hospitality shown us upon that occasion.

The closing exercises of the first session of Miss Marshall's school, took place on last Friday evening, 10th inst., with dialogues, tableaux, &c. The patrons may well be proud of having secured the services of such an accomplished lady. The pupils certainly show great signs of educational training, from the beginning to the ending peace and quietude reigned supreme. Long before the sun sank into the bosom of mother earth, the crowd began to gather, and before 8 o'clock (the time for the performance to begin) the crowd had swelled to over two hundred. The young girls did admirably well, and if they only continue to improve they will in a short time make women that our County will be proud of. The boys displayed great oratory power and also great improvement in every respect. They have by arduous toil and persevering research gradually elevated themselves in the scale of intelligence, and gained honorable riches in the temple of letters. It is to be commended so rare that performance to begin) the crowd had swelled to over two hundred.
