MESSAGES.

Col. J. B. E. Sloan was in town last

Mr. J. Atlen Smith has returned from Atlanta (?)

Judge Cothran came home on Saturday but left on Tuesday. John's creek, the other side of Dr. Klugh's,

is in a buggy-breaking condition. Major Whitner, Judge Murray, and Major Murray, of Anderson attended our court last

Orlande Sheppard; Esq., of Edgefield was here on business before the Master last

T. P. Cothran, Esq., is going to Florida mext week on business. Nothing the matter with his eyes, not going to Atlanta.

Mr. Ramey Hughes acted as assistant marshall on Saleday. He is without doubt the youngest policeman history will ever record, who swung the billet like a man through thickand thin.

There was immense crowd in town on Monday (Saleday.) The weather was lovely. Lee Wilson full of jokes and all was good nature. Nobody seemed to be mad and no-body was hurt.

Married, at the residence of the bride's mother, October 22, 1885, by the Rev. W. L. Pressley, Mr. W. C. Haddon, of Due West, S. C., and Miss Eola Kennedy, eldest daughter of Mrs. Rosa E. Kennedy, of Andrews S. C. derson, S. C.

Worms do exist to a great extent in the human body, and are often the cause of disease and death. Shriner's Iudian Vermifuge will destroy and expel them from the system.

Hundreds of letters from those using Ayer's Hair Vigor attest its value as a restorer of gray hair to its natural color. As a stimulant and tonic, preventing and often curing baldness, and cleansing and soothing the scalp, its use cannot be too strongly recommended.

There was an enormous crowd in town for the circus. It was variously estimated at from four to seven thousand. Good order was preserved and we heard of no fights or arrests. The circus was a good one. The street parade was well equipped and handsome. Perhaps the best performance of the circus was the zerobatic feat in the air and the bycicle riding on the rope. The menagerie was very good. In all respects the people seemed pleased with the cutertainment.

W. C. McGowen, E. G. leaves to day for

W. C. McGowan, Esq., leaves to-day for Charleston, where he will be married to-morrow to Miss Clelia Matthews, after which he and his bride will go to New York and Baltimore. Few men have more friends than Willie McGowan and nane deserve them more than McGowan and nane deserve them more than the. These friends send with him their warm and sincere congratulations to him and his intellectual, nobic and lovely bride, upon this beginning of their joint life. The blessings and the happiness that they anticipated may well be predicted for them because they deserve all the good that the Giver of all good can send them. Bon voyage mon ami to you and your bonnie bride.

bought at very low figures. Most of the County fairs held this

year have been very successful.

Col. James Edward Calhoun, spent most of last week in Abbeville, visiting his friends and relatives.

Many of our friends think the change

of our publication day a wise one.

Mr. Thomas Seal is superintending the work on Presbyterian parsonage.

Rev. W. R. Rienardson conducted th union meeting in the Baptist Church on last Sunday night.

The invitations to the State Ball are out. They are as handsome as any we have ever seen.

Mrs. John McMahan of Antreville had the misfortune to get her arm broken one day last week.

Court adjourned on last Saturday. Although the dockets were not cleared, Judge Wallace did much to relieve the pressure.

Work has been commenced on Mr. Lee's new house. Capt. Nichols, who built the Catholic Church has the contract for its construction.

The best joke of the season is on the editor of the Press and Bauner. Ask him when he pays his tax if you want

to find out what it is. We are indebted to the Troy Social Club for an invitation to their Annual Ball to be given on Nov. 19th. Some

of us will be there kind friends. Mrs. Tyler, of Richmond, Va., has been elected to fill the vacancy in the

Abbeville High School, caused by the resignation of Miss Miller. She is expected to report for duty to-day.

A Free Trade Convention was held in Columbia on Saturday last. Nothing very definite was done further than the election of delegates to the National Convention to be held in Chicago.

The entertainment given by the ladies of the Methodist Church was quite a success in every particular. They realized about one hundred and fifty dollars, and all present enjoyed the occasion immensely.

Our talented correspondent, "R. S.

"O. P. H." so well known in this County has written a letter to the News and Courier opposing the raising of tobacco. He contends that tobacco, being an injurious luxury, "the twin sister of wiskey," should give place to cotton and the absolute necessities of
