girl; the officer discovers her mission.

There are comedians and intending comedians, and oftentimes the latter are unwittingly funnier when they are most serious. This is illustrated by the following letter, punctuation and spelling unaltered, which was re-cently received by the Universal Film

Manufacturing Company:
Perkin, Ill., March 17, 1914.
Dearle Searie: I like ta a plye fore pishures. I now how it is done, and pishures. I now how it is done, and a position as an actor in the Mufing from the "crow's nest" into the sen how there act to take good pictures. Due I hafte sine a contract work fore leading man of the "Lucile's series, you a serten time of length. I sine up

that line.

have an open place fore me be glad to water was icy cold. too. heare about it if not gime ferther in fermathen were elites, if you wish to now fether infer maten about me, rite

to me. remin veryest truly I not axetly now where the Universal

girl, the officer discovers her mission.

The results are thrilling.

WANTS TO TAKE STERLING'S PLACE.

Out and getting pictures no matter what the difficulties were. Among the sides and rear.

A gigantic paint frame takes up the east end of the building. The property with are the Kalem, The Gaumont ty room is, on the main floor and everything in the way of household

That intense realism is striven for in the "Lucile Love, Cirl of Mystery" peries now being put on by the Universal company, is evidenced by an accident at San Pedro, California. A big ship had been chartered for a week for the pictures. One of the reenes showed a sailor being thrown you a serten time of length. I sine up ordered five retakes of the scene, for 6 yeres. the first four the fight between the Due you have ford Sterling working fore you? I wante take his plase in convincing enough to suit Mr. Ford that line.

Coud you pay me \$20 a week? if you hurled 60 feet into the water. And the

ESSANAY STUDIO, JUST COMPLET-ED, MODEL BUILDING.

Mr. Rawlinson is the san who bought himself an reroglane to use in the picture productions for which he has been engaged. He will be seen at the Bijou on Friday next in a three red drama. "On the Verge of War."

considerable risk to life and limb, for the Anlimated Weekly.

Mr. Goodwyn was chosen to represent the Universal on account of his long experience as a camera man and training in such matters as going out and getting pictures no matter.

spacious, covering over a hundred a film soon to be released by the Keylotte feet in length by pibety feet in width. A hundred and twenty Copper-Hewitt increase, the Imp Studio, and getting a little stone company, in which a horse, ridden by Mabel Normand, falls 375 feet over a cliif, with a policeman hanging to its tail. Trick photoplay is responsible.

"Good morning, Mr. Baggot", excitanted the Pest in his usual oily fashion." I just wanted to ask you about the sides and rear.

goods, etc., can be located in an in-60 EOOT LEAP GIVES REALISM TO goods, etc., can be located in an indating twenty odd people, take up the southwest end on the second floor. The wardrobe department is also on

this floor.
The lighting arrangements are perfect, and every picture that is made in the new studio will have the advan-tage of "light from the sides," that is, there can be no dark spots in any scenes that may be staged, unless the director so desires, and then the lights may be placed anywhere in or about the scene where they will do the most

The new building will accompdate several times as many people as the old studio does. The dressing rooms have been fitted up for the comfort of those who will have to use them. Many of the artists who are seen in Essanay subjects are from the regular stage and many are the tales that will be told of their experiences as Broad-way stars, playing in big runs, or their tales of "one-nights" as the sit about waiting for their cues.

The Essanay productions are shown in Anderson at the Palmetto.

Fighting Chance" and "On the Firing Line," have been secured for motion picture production by the All Sta corporation. Work on these produc-

After an absence of over a month this popular actress appears at the Bijou on Thursday next in a two-reel

Robert W. Chambers' stories, "The tunity to express his real opinion

ion". I just wanted to ask you about the Board of Censors. They are so particular, you know. Do you think they would object to my committing suicide in my next picture?"

"On the contrary", said the King cheerily, "I should think they would be delighted."

Augustus Carney, (Universal Ike), is "elephant shy". Recently while performing a stunt with "Charile". the big Universal elephant, the phacyderm suddenly reached over and grabbed Carney with his trunk and deposited him in a mud puddle several feet away. Since then the portrayer of Universal lke roles has kept his distance from Charlie.

A BUTTER-IN.

A real goat butted into a rehearsal at the Majestic studio the other day and spoiled a picture. It was "The Sheriff of Contention," on which John O'Brien is so hard at work. Mr. O'Brien had been rehearsing the most critical scene of all, many times over, and only that moment had put the cameraman on the job-when, enter After an absence of over a month this popular actress appears at the Bijou on Thursday next in a two-reel Drama "The Doctor's Testimone."

THE REPORT COLRTEOUS Occasionally a man has an opportunity to express his real opinion about a pest and be polite and truthful at the same time. This rare chance came to King Baggot the other day in the following manner:

The pest had been in the habit of butlonholing the King on his way to the sum of the person of the sum of the sum of the sum of the sum of this serial is the famous group of stars who portray the leads. James Cruze, Lila May Chester and in the intruder had been driven back to the studio corral, the long-suffering director was obliged to put the members of the cast through their parts a dozen times before they could sufficiently recover their gravity to recreate the dramatic for it.

Program For Week Commencing Tomorrow:

Monday---

"THE STIRRUP BROTHER"-2 reel Eclair Drama, with J. W. Johnson and Edna Payne. A thriling human-interest play from O. Henry's

"UNIVERSAL IKE JR.," in "A Battle Royal"-Universal"-A Universal

Fourth Reel to be Selected.

Tuesday---

ANIMA -

"LUCILE LOVE"-8th Installment of The Girl of Mystery. Lucile leaves the Chinese town as a stowaway in the hold of a vessel on which Hugo is

"SNITZ JOINS THE FORCE"—Sterling Comedy, Ford Sterling, with a great supporting cast, gets away with some original and killingly funny stuff in this rapid fire comedy. It's a case of lick first and life or death afterwards. But it takes Snitz's luck to get him out of many places worse than either life or death.

Wednesday ---

Fourth Reel to be Selected. "SWEDE LARSEN"—A Box three-reel feature offering pictured in a lumber camp of the Creat Northwest with Robert Leonard as a big Swede who buys the salcon and falls in love with the gambler's wife. Hazel Buckham plays this latter part. Leonard the some forceful work in his presentation of the Swede.

Fourth reel to be selected.

Thursday---

"THE DOCTOR'S TESTIMONY"—A 2-reel Victor Drama with Miss Florence Lawrence in the title role. Jealousy, it has been said, is the one passion of the human soul that causes more heart suffering, more anguish. more domestic tragedies and more brutal crimes than any other. Do you believe this? Do you term it a passion or an emotion?

The first of a series of comedies set in and around a motion picture stu-

"SOPHIE-OF THE FILMS"-Dear, simple Sophie leaves the old homestead to become a motion picture heroine. With the last of her slender means she graduates from the Bunkem School of Dramatic Art. Fortified with a diploma from them Sophic displays her diploma to the erratic director of production, and he laughs in her face and sends her home.

Unfortunately for Sophie she made a hit with the manager and the leading man. This when the leading woman quits because she was not allowed to take a bath during working hours, Sophie was called up and given

The mistakes that Sophic made were many and grievous. The leading man made love to her between scenes, and the director cursed her in-experience and discharged her. The general manager, however, refuses to let her go, and poor Sophie is detained, little conscious of the troubles in

Fourth Reel to be Selected.

Saturday---

Friday---

"ON THE VERGE OF WAR".—This three reel dumber was written by James Dayton and produced by Otls Turner. Anna Little and Herbert Rawlingon play the leading roles. The story is one of international intrigue between agents of this country and Mexico. The girl is the supposed daughter of a hypnotist acting as a Mexican spy, but later it is learned that he was not her father. Many of the situations are very intense. Warships, Mexican Soldiers, diplomitic intrigues.

Fourth Reel to be Selected.

UNCL. SAM IN MEXICO—Extraordinary scenes taken by The Universal special war photographer showing the operations of U.S. troops in and around Vera Cruz.

Special Western feature will be booked for this day in addition to the
