GRAY HAIR BECOMES DARK, THICK, GLOSSY
 Try Grandmother's Old' Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

ELECTRIC CITY SPARKLETS

Items of Interest and Personal Mention Caught Over the Wireless on the Streets of Anderson

Survey Boat on Savannah River
 The war department some time ago purchased a second-hand boat on Savannah river, near Petersburg, opposite Mt. Carmel, for the purpose of making a survey of that stream between Augusta and Andersonville. The boat has reached Gregg Shoals on its upward voyage and has been tied up at this point for the past 10 days or two weeks. Some time ago the war department had an engineer on Savannah river for the purpose of making gauge readings and other observations, and it is thought that the survey now being made is the result of his recommendations. The work on Savannah river is being done under the direction of the United States engineer in charge of the Savannah Division, who has offices at Savannah.

Interest in Dokey Meeting at Spartanburg
 Local members of the K. of P. who have reached the station of Dokey, otherwise known as the Dramatic Order Knights of Korassan, were much interested in a gathering of the clan held at Spartanburg last night, when several "Tyros" were offered up in sacrifice to regale the tiger.

Snow Predicted For Next Saturday
 "Prof." Hicks, Anderson county's well known weather prophet, was in the city yesterday and when asked what was in store for this section in the line of weather predicted a fall of snow by next Saturday. "All indications point to rain by Friday, but the chances are it will be snow instead," declared he. He stated that there would be no moderation of the present cold weather until either rain or snow had fallen.

Weather Making For New Record
 United States weather observer H. H. Russel ventured the assertion yesterday, without consulting the records, that a new temperature record for this early in December was established yesterday. At 5 o'clock in the morning the mercury registered 16 degrees. By 8:30 o'clock the thermometer had risen four degrees. Though the weather moderated during the day, there was no time when one did not feel the bite of the wind and stick to his overcoat.

Judge Memminger's Brother Promoted
 Associated Press dispatches sent out yesterday from Washington announced the appointment of Lucien Memminger of Charleston as United States consul at Madras, India. For the past several years he has been consul at Rouen, France. Mr. Memminger is a brother of Judge R. Withers Memminger, now presiding over the court of common pleas in Anderson. Mr. Memminger visited in Charleston last winter. Judge Memminger had the pleasure of visiting his brother while consul at Rouen two years ago.

Pistol Toler Fined \$50
 In the recorder's court yesterday morning Ernest Stenson, colored, was convicted of carrying an unlawful weapon, a pistol, and sentenced to pay a fine of \$50 or serve 30 days on the city chalking. It seems that Stenson was caught carrying a pistol which had been stolen by one Dick Frazier and turned over to him. The Frazier negro was hauled up on charges of petit larceny, to wit, stealing the pistol, and was sentenced to pay a fine of \$25 or serve 30 days on the city chalking.

Directors Chamber Of Commerce Meet
 The regular monthly meeting of the directors of the Chamber of Commerce will be held this afternoon at 5:30 o'clock at the Chamber of Commerce. This meeting was originally scheduled for Thursday night at 8 o'clock, but when it was seen that several directors would be out of the city tomorrow night it was decided to change the date of the meeting and hold it this afternoon at 5:30 o'clock instead. At the meeting this afternoon the regular monthly report of Secretary Porter A. Whaley will be presented, and the matter of arranging the date for the annual meeting of the Chamber of Commerce be taken up.

Sentenced For Non-payment of Poll Tax
 In the court of Magistrate W. C. Broadwell yesterday morning one Joe Price, colored, was convicted of non-payment of poll tax and sentenced to pay a fine of \$10 and costs of the action or serve 30 days on the chalking. Not having the cash with which to pay his fine, Joe was forced to go to the gang. Price is a resident of Cleveland avenue, and pleaded ignorance as the excuse for his having failed to pay "tribute to Caesar." But as ignorance of the law excuses no one, the mag. was forced to visit punishment upon Joseph.

Cutting Down Trees On Brick Range
 City street forces yesterday felled some four trees which stood at the edge of the sidewalk on Brick Range. The clearing away of the trees brought about a change in the appearance of things in that quarter, and though it is to be regretted that trees on public streets must ever be cut, there probably is no one in the city who will not agree that the appearance of things on that side of the square were improved. The four trees which were felled had become diseased. The tops were dead and many of the branches had become decayed.

Penny Party At Welcome School
 Tomorrow (Thursday) night a "penny party" will be held at Welcome school house, Beaverdam district. Miss Maggie M. Garlington, county supervisor of rural schools, will be present and will make a talk. A cake contest has also been planned as one of the attractions. The general public is invited to attend the function and the patrons of the school are particularly urged to be present.

Box Supper At Mountain View
 With the advance of winter box suppers are becoming popular throughout the county, and many are the entertainments of this nature which are being held at the various school houses and private homes. It is announced that a box supper will be held at Mountain View school house on the evening of Tuesday, December 22, from 7:30 to 10 o'clock. The public is cordially invited to attend the entertainment.

Error Made in Ginning Figures
 According to information given out yesterday by L. A. Bolt, special agent for the collecting of ginning statistics in Anderson county, the government has made an error of 5,465 bales of cotton in computing the number ginned in Anderson county up to December 1. The figures furnished Mr. Bolt showed that up to December 1 there had been ginned in this county 60,807. A few days later when the report covering the whole State was published Anderson county was given 66,452 bales, a difference of 5,465. Mr. Bolt says that the attention of the department will be called to the error.

Side Walk Considered
 The street committee of city council is considering the raising of the level of the sidewalk in front of the Cox store rooms, on North Main street, which is occupied by Crayton's drug store and the United States Woolen mills and the sidewalk in front of the C. A. Reed building. Both sidewalks are several inches below the curbing and in addition to being unsightly this condition of affairs prevents the flowing off of surface water after heavy rains. Especially is this true of the sidewalk in front of the Cox stores, as the underground drains were cut off when the retaining wall for the Main street bridge of the Blue Ridge Railroad was constructed.

Clerk of Court Pearman Better
 Friends of Clerk of Court James N. Pearman throughout the county will be relieved to learn that he has recovered from his illness to the extent where he will probably be removed to his home today, Monday morning, shortly after the convening of court. Mr. Pearman suffered an attack of illness, which was afterwards diagnosed as a slight attack of appendicitis. He was removed to the home of Sheriff Ashley, where he was given medical attention. This makes the third or fourth attack of this description which Mr. Pearman has suffered.

Charged With Stealing Clois
 Charged with stealing some 50 yards of cloth from the Brogan Mills, Will Pitts, colored, was arrested in Abbeville last Saturday and brought here yesterday. The negro formerly worked at the Brogan Mill and it is supposed that he stole the cloth and went to Abbeville for the purpose of selling it. Abbeville officers saw the negro lugging two suit cases and suspected him of having whiskey in them. Upon examination they discovered the grips full of cloth.

Mr. James Moore Dies at Barwell
 Mrs. S. E. Carter of Greenville street, received a telegram yesterday morning announcing the sudden death at Barwell of her son-in-law, Mr. James Moore. Mrs. Carter left yesterday afternoon to be with her daughter, who was Miss Sallie Carter, in her affliction and to attend the funeral services of Mr. Moore, which will be held today. Mr. Moore married Mrs. Carter's daughter about 15 years ago, and they have some six children.

Mr. Newton Dead In Baltimore
 Friends in Anderson of Miss Berta Newton, teacher in the high school on West Market street, will sympathize with her in the death of her father, which occurred in a Baltimore hospital last Monday. She was advised of her father's serious illness some days ago and left for Baltimore Saturday. Mr. Newton lived at Bennettsville.

Executive Board Held Meeting
 The executive board of the Saluda Baptist Association met Monday afternoon at the First Baptist church and considered applications for aid from various churches, appointed committees to investigate certain existing conditions, approved applications—directly and provisionally—amounting to some \$1,200. Other matters of little interest to the general public were also considered.

Regular Meeting Farmers' Union
 The regular monthly meeting of the Anderson County Farmers' Union was held yesterday morning in the court room of the city hall. Although nothing was given out for publication concerning the meeting, the secretary stated that a number of matters of importance and interest to farmers were discussed. It was announced that

at the January meeting of the union officers will be elected for the year of 1915. A full attendance of members is urged on this occasion.

Fire Laddies Called Out
 The fire department was called out late yesterday afternoon by an alarm sent in from the vicinity of the people's Oil Mill. Upon arriving it was discovered that a pile of old clothing in a negro house had become ignited, but that these had been thrown out of the house and the flames extinguished.
