ELECTRIC CITY SPARKLETS

Items of Interest and Personal Mention Caught on the Wireless on the Streets of Anderson

Special Collections For the Destitute. Special collections for the relief of the destitute people in the city of Anderson were taken yesterday in several of the churches of Anderson. Three churches, two of which are colored, reported yesterday to General Secretary Barnett of the Anderson Relief Association the amount of that had been subscribed by them. One colored church reported that it had been taken and another church reported a collection of \$3.20. One of the mill churches reported a collection of something over \$3.

But Two Cases Before Recorder. But two cases were before Recorder Russell yesterday noon when police court was convened. The fact that but two arrests were made between noon Saturday and noon yesterday, 48 hours, speaks mighty well for the order of the city. Ben Drake was before the recorder on charges of loud swearing and disorderly conduct. He was fined \$5. Andrew Jones, a familiar character in the police court, was up on the same old charge, that of drunkenness. He was sentenced to pay a fine of \$5 or serve 10 days on the gang.

Definite Date For Music Festival. It was announced yesterday that a definite date had been set for the holding in Anderson of the winter music festival. The attraction will be here March 16, 17 and 18, practically one month after the scheduled opening of the new Anderson theatre. Many Anderson people are looking forward with keen anticipation of pleasure to this event.

Owl Drug Co. Is In Goods. Removing the stock of goods from the defunct establishment of C. Lewis to the Owl Drug Co. purchasers of the stock at the recent auction held by the trustee, was begun yesterday. The stock of goods is fresh, all having been purchased since last August.

Superintendent Felton Went to Williamston. County Superintendent of Education J. B. Felton went to Williamston yesterday morning for the purpose of conferring with the trustees of the school there with reference to the purchase of laboratory equipment for the school. The trustee decided to purchase something like \$100 worth of equipment for the institution.

Miss Hammett Assists Superintendent Education. Miss Annie Lavine Hammett of Greenville is spending a few days in the city and is assisting County Superintendent of Education J. B. Felton in his office. Miss Hammett is a very capable and efficient worker.

Elementary Union Meets This Afternoon. The Elementary Union will meet this afternoon at 4 o'clock at Central Presbyterian church. The program which was previously published will be carried out. All interested in elementary work are cordially invited to attend the meeting this afternoon.

Inspecting Work on Retaining Wall. J. C. Craikshanks, engineer for the Charleston & Western Carolina Railroad, was in Anderson yesterday for the purpose of inspecting work on the concrete retaining wall which is being built around a part of the terminal.

ITCHING ECZEMA IS DRIED RIGHT UP WITH SULPHUR Use like cold cream to subdue irritation and clear the skin. Any breaking out or irritation on the face, arms, legs and body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little cold sulphur cream to the affected parts.

Positive Relief For Constipation

The progress of modern medical science is, perhaps, no more forcefully evident than in the simplifying of many of the old time remedies of past generations. For instance, the harsh cathartics and violent purgatives used by our forefathers to relieve constipation are now known to be not only unnecessary but really harmful. Constipation can be more effectively relieved without the discomfort and pain these old-time remedies occasion.

Philanthropic Meeting Has Been Postponed. The meeting of the Wesley Philanthropic class to have been held at the home of Mrs. John B. Humbert, South Main street, Tuesday, has been indefinitely postponed.

New Pastor of Second Baptist. The new pastor of the Second Baptist church, the Rev. James A. Anderson, formally took over his new duties yesterday morning. The congregation was out to hear the pastor, the congregation of several Methodist church meeting for this service with the Baptists. The new pastor addressed the congregation briefly, outlining his work among the people and bespeaking their earnest cooperation. He spoke from the text Matt. 2:10: "When the wise men of the East saw the star they rejoiced with exceeding great joy." Sunday night the new pastor and the deacons met for the purpose of outlining the work. At 7:30 Mr. Anderson again preached to the congregations of his church and Bethel church. The Rev. S. W. Danner, pastor of Bethel church, was present along with scores of others of his congregation.

Delegation Of For Columbia. Members of the Anderson County delegation to the general assembly left yesterday for Columbia, to take their seats today upon the convening of the legislature. Realizing that Anderson has sent an unusually strong delegation to Columbia, citizens of this county are expecting to "hear from" them during the deliberations of the lawmakers. Just where all members of the local delegation will stand while in Columbia is not known, but Senator J. L. Sherard will have his headquarters at the Jefferson hotel.

Superintendent City Schools in New Office. By the end of the week, very probably, Superintendent E. C. McCants of the city schools will be ensconced in his new offices in the new Ligon & Ledbetter fireproof building. A suite of rooms has been leased for the purpose and Mr. McCants expects to move in some time this week. For the past year he has had an office over Parker & Bolt's store, adjoining the office of Magistrate Broadwell. For two or three years prior to that Mr. McCants had his office at one of the school buildings, and prior to that he was established over the storeroom of Webb & Webb. The new offices in the Ligon & Ledbetter building are among the nicest in the city and quite a credit to Anderson. Mr. McCants' offices will be on the second floor of the building, towards the rear.

Native of City Dead in Greenville. Older citizens of Anderson who remember T. W. Barr, a native of this county, will regret to learn of his death, which occurred Sunday evening in Greenville, where he had made his home for the past 40 years. He was president of the Barr Hardware Company, of that city. He had been ill for the past 11 months. He was born in Anderson County in 1857. In 1897 he was married to Miss Ella Stewart who together with eight children, survive, four sons and four daughters. He is also survived by his aged father, G. D. Barr, and two brothers, Geo. T. and L. J. Barr, and six sisters, T. W. Lynch and Mrs. J. N. Wilkinson, of Soochow, China.

RE-ELECTED PRESIDENT Southeastern Life Hundred Thousand Dollar Club. The annual meeting of the agents of the Southeastern Life Insurance Company was held in Greenville Thursday and Friday, January 7th and 8th. The members of the Hundred Thousand Dollar Club held their meeting Thursday night at which meeting Mr. Horace J. McGee of Anderson was re-elected president of the club, by reason of the fact that he had paid for more business in 1914 than any other agent of the company in the State; his personal paid for business amounting to \$175,084. Mr. Geo. W. Spear of the Anderson agency also retains his membership in the Hundred Thousand Dollar Club, inasmuch as his personal paid for business amount to \$111,594. The company has had a very successful year, although conditions have not been favorable.

POPULAR LOCOMOTIVE ENGINEER EXPIRES

J. RAMEY HUGHES SUCCESSORS TO ILLNESS YESTERDAY AT WALHALLA

FUNERAL TODAY

At His Home—Interment Will Be at Walhalla—Long in the Railroad Service.

J. Ramey Hughes, for the past 21 years an engineer in the employ of the Blue Ridge Railway, died yesterday morning at 2 o'clock at his home in Walhalla of an illness which seized him Saturday night after leaving Anderson at his regular post at the throttle of the passenger train. The funeral services will be held this morning at 11 o'clock at Walhalla, conducted by the Rev. George M. Wilcox, after which the remains will be laid to rest in Westview cemetery. Capt. J. R. Anderson, superintendent of the Blue Ridge Railroad, who brought Mr. Hughes to this road in 1894, will be one of the pallbearers. Other employees of the Blue Ridge Railroad will go from this city to attend the funeral services. Was Feeling Unwell. Last Saturday Mr. Hughes complained of not feeling well. In fact, it is stated that Mrs. Hughes urged him not to go to work that day, but so loyal to service was the engineer that he went in spite of his ailment and performed his duties as usual. He left Anderson Saturday evening about 8 o'clock for Walhalla at the throttle of the new engine drawing the passenger train. He was taken sick after leaving Pendleton, and when the train reached Seneca river the engine was stopped while someone went to the house of a section foreman living near to get some medicine to relieve the engineer's suffering. In the meantime he was taken into the baggage car, where members of the crew gave him what treatment they could under the circumstances. The fireman, Jurd Chambers, ran the engine on to Seneca, where physicians were summoned to attend Mr. Hughes. The engineer was too ill to be taken from the train at Seneca, so was taken on to his home at Walhalla, where he lingered until Monday morning at 2 o'clock, when he breathed his last.

Long in Service.

Mr. Hughes was born in Abbeville county about 46 years ago. Early in life he began work on the railroads. When the Southern Railroad was organized and took over the old Lynchmond & Danville Railroad, Mr. Hughes was taken on that system. Where he had been running for years and sent to the Blue Ridge Railroad. He had been running on the Greenville-Columbia division and between Columbia and Walhalla. As stated, he was brought here by Capt. Anderson, when the latter was placed here in August 1894 as superintendent of the Blue Ridge, coming here in November or December after Capt. Anderson.

Engine is Draped.

During the 21 years he was connected with the Blue Ridge, Mr. Hughes ran a passenger engine. He was the best engineer in point of service on the Blue Ridge and one of the most valuable men in the service. The railroad, of course, feels his loss keenly, and realizes that his place will be hard to fill.

THE TAB SHOW MAKES A HIT

The Tab Show on at the Palmetto yesterday and last night certainly made a hit with the audience which braved the terrible weather of the afternoon and evening; however those who did go, stated that they were well paid for coming out; that Mr. Pinkston had given the people of Anderson this week the very best show he had ever given them; and that it certainly was a wonder to them how he could show such a show for the money. The trio of singers and the comic made a big hit, singing "It's a Long Way to Tippecanoe;" they had to come back and back again to respond to repeated encores. The two comedians were very clever, and when all in all, the entire show from every angle is very good indeed—much better than is usually seen at the price charged.
